Project Title: Agreement with Dept. of Water Resources for Table A Water Supply

Project Applicant: Plumas County Flood Control and Water Conservation District ("District")

Project Location: Lake Davis, Plumas County, California

Project Location - County: Plumas

Description of Nature, Purpose or Beneficiaries of Project: Agreement between the District and California Department of Water Resources (DWR) providing that Table A water deliveries by DWR to District will not be reduced during State Water Project shortages in 2014 (and in 2015 if drought conditions persist) as long as sufficient water is available from Lake Davis.

Name of Public Agency Approving Project: Plumas County Flood Control & Water Conservation District

Name of Person or Agency Carrying Out Project: Plumas County Flood Control & Water Conservation District

Exempt Status: (Check one)

Ministerial (Sec. 21080(b)(1); 15268);

Declared Emergency (Sec. 21080(b)(3); 15269(a));

Emergency Project ((Sec. 21080(b)(4); 15269(b)(c));

Categorical Exemption. State type and section number: Use of existing facilities CCR 15301(b)

Statutory Exemptions. State code number: CCR 15061(b)(3)

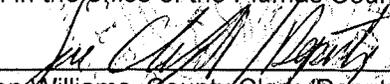

Reason why project is exempt: Governor's proclamation of April 25, 2014, continuing drought emergency and suspending CEQA for state actions for temporary water transfers. Plumas County proclamation of local emergency due to drought initially adopted August 19, 2014, as subsequently extended. This is an ongoing activity involving SWP water (CCR 15261) and only existing facilities are used to transfer a small amount of water to existing users.
