Project Title: Acquisition of 180 acre ranch in Quincy, CA

Project Location – Bucks Lake Road, Quincy, CA; Plumas County AP No. 005-230-025

Project Location – County of Plumas

Description of Project: Acquisition of approximately 180 acres of real property contiguous to the College campus in Quincy, CA, for agriculture-related education programs and uses and for outdoor education.

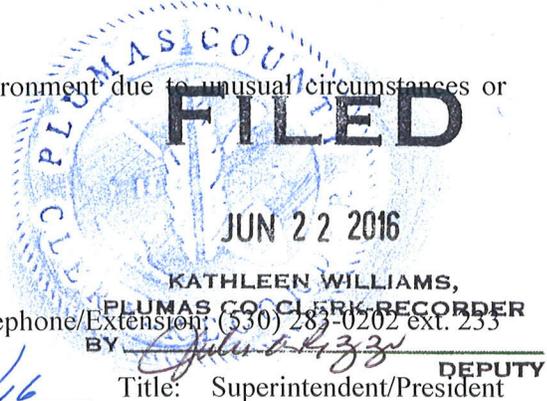

Name of Public Agency Approving Project: Feather River Community College District

Name of Agency Carrying Out Project: Feather River Community College District

Exempt Status: Categorical Exemptions: Section 15302, replacement or reconstruction of existing structures; section 15303, new construction of small structures; section 15311, construction of accessory structures; section 15313, acquisition for fish/wildlife conservation purposes; section 15322, conduct educational programs on site.

Reasons why the project is exempt: The project consists of purchasing approximately 180 acres of rural property in close proximity to the existing Feather River College campus. The site will be used for agriculture-related programs, activities and uses and for outdoor education. Structures that may be constructed include livestock handling areas, fencing, storage buildings for livestock and agriculture production, and other small agricultural structures. Planned use by FRC is consistent with the current use of the land. Classroom or student buildings are not planned for the property.

The project will not have a significant negative effect on the environment due to unusual circumstances or otherwise.
