WHEREAS, the Board of Trustees (the "Board") is committed to maintaining the quality of education in local public schools by attracting and retaining quality teachers and by upgrading aging classrooms, school buildings and infrastructure at all schools; and

WHEREAS, since our local school facilities are aging and in need of infrastructure updates, the Board has determined that schools within the Plumas Unified School District (the "District") need repairs and renovations to provide facilities for career and technical education, and to prepare students for high-demand jobs in science, technology, engineering and math; and

WHEREAS, aging school buildings need upgrades to also prepare students to acquire vital skills needed to be successful at community college and to compete in the 21st century economy; and

WHEREAS, the Board believes it is in the best interest of the District to continue to address facility improvements now, in a fiscally prudent manner, before they become more pressing and more costly; and

WHEREAS, the State of California (the "State") is not providing the District with enough money for the District to adequately maintain its educational facilities and academic programs; and

WHEREAS, the Board has concluded that the District's only remedy to avoid the undermining of its educational programs is securing local funding that the State cannot take away; and

WHEREAS, the Board has received information regarding the possibility of a local bond measure and its bonding capacity; and

WHEREAS, a local measure will help provide funds to upgrade aging schools and prepare students for college and good jobs; and

WHEREAS, such measure will include mandatory taxpayer protections, including an independent citizens' oversight committee, mandatory audits to ensure funds are spent as promised and that no money is used for administrators' salaries or pensions; and

WHEREAS, the Board and District has solicited stakeholder and community input on school priorities from parents, teachers, staff, the community and civic leaders; and

WHEREAS, the Board desires to make certain findings herein to be applicable to this election order and to establish certain performance audits, standards of financial accountability and citizen oversight that are contained in Proposition 39 and the Act; and

WHEREAS, the Board desires to authorize the submission of a proposition to the District's voters at an election to authorize the issuance of bonds to pay for certain necessary improvements and enhancements to District educational facilities; and

WHEREAS, the Board hereby determines that, in accordance with Opinion No. 04-110 of the Attorney General of the State of California, the restrictions in Proposition 39 which prohibit any bond money from being wasted or used for inappropriate administrative salaries or other operating expenses of the District shall be monitored strictly by the District's Citizens' Oversight Committee; and

WHEREAS, pursuant to Education Code Section 15270, based upon a projection of assessed property valuation, the Board has determined that, if approved by voters, the tax rate levied to meet the debt service requirements of the bonds proposed to be issued will not exceed the Proposition 39 limits per year per \$100,000 of assessed valuation of taxable property; and
