HAZARDOUS MATERIALS BUSINESS PLAN EXEMPTION APPLICATION FORM

Applicant Name: _____ APN (where Haz-Mat is stored) _____
 Mailing Address: _____ City: _____ State: _____ Zip: _____
 Property Owner (if different) _____ Phone No: _____
 Facility Address: _____

Please complete the following questions

1. Is the hazardous materials storage located on leased land, or state or federal property? Yes No
2. Does your business serve the general public or does the public regularly visit your site? Yes No
3. Is your hazardous materials storage location less than 200 feet to any public facility or neighboring private property? Yes No
4. Do you store extremely hazardous materials on your site, other than pesticides? Yes No
(Note: Pesticide usage/storage requires a permit on file with County Ag Commissioner)
5. Do you store fuel in tanks greater than 20,000 gallons of capacity? Yes No
6. Do you store more than a total of 100,000 gallons of fuel? Yes No
7. Does your operation produce more than 20 gallons of hazardous waste (e.g. used oil, used antifreeze) at any given time? Yes No
(Note the 20 gallon threshold is the limit than can be self-hauled to a designated recycling facility without special permits or approval)

I certify that the above statements are true and correct. I also certify that I am willing to share hazardous materials storage information with the local fire department, upon request. By signing this application, I request that this facility be exempted from the annual hazardous material reporting requirement of California Health and Safety Code section 25505 and Title 19 of the California Code of Regulations section 2729.4(b), and the associated annual fees. I furthermore acknowledge this exemption does not relieve me of responsibilities to contain, cleanup or report spills or releases of hazardous materials at this site.

For Official Use Only

Pursuant to California Health and Safety Code section 25507(g.) Plumas County Environmental Health finds that exempting this facility from the Hazardous Material Business Plan requirement and associated fees will not pose a present or potential hazard to human health or safety or to the environment or affect the ability of the administering agency and emergency rescue personnel to effectively respond to a release of a hazardous material.
 This exemption does not relieve the owner/operator of the facility from any requirements other than those listed above, and Plumas County Environmental Health reserves the right to rescind this exemption if the conditions are not adhered to or if the above finding can no longer be made.
