## Services Agreement

This Agreement is made by and between the COUNTY OF PLUMAS, a political subdivision of the State of California, by and through its **Facility Services** (hereinafter referred to as "County"), and **Smile Business Products, Inc.**, a CA corporation (hereinafter referred to as "Contractor").

The parties agree as follows:

1. Scope of Work. Contractor shall provide the County with services as set forth in Exhibit A, attached hereto.
2. Compensation. County shall pay Contractor for services provided to County pursuant to this Agreement in the manner set forth in Exhibit B, attached hereto. The total amount paid by County to Contractor under this Agreement shall not exceed **Four Thousand dollars and 00/100** (\$4,000.00) (Two Thousand dollars per contract year).
3. Term. The term of this agreement shall be from **July 1, 2021** through **June 30, 2023**, unless terminated earlier as provided herein. County's Board of Supervisors hereby ratifies, and approves for payment, services provided by Smile Business Products, Inc. from July 1, 2021 to date of approval of this Agreement by the Board of Supervisors.
4. Termination. Either party may terminate this agreement by giving thirty (30) days written notice to the other party.
5. Non-Appropriation of Funds. It is mutually agreed that if, for the current fiscal year and/or any subsequent fiscal years covered under this Agreement, insufficient funds are appropriated to make the payments called for by this Agreement, this Agreement shall be of no further force or effect. In this event, the County shall have no liability to pay any further funds whatsoever to Contractor or furnish any other consideration under this Agreement and Contractor shall not be obligated to perform any further services under this Agreement. If funding for any fiscal year is reduced or deleted for the purposes of this program, the County shall have the option to either cancel this Agreement with no further liability incurring to the County, or offer an amendment to Contractor to reflect the reduced amount available to the program. The parties acknowledge and agree that the limitations set forth above are required by Article XVI, section 18 of the California Constitution. Contractor acknowledges and agrees that said Article XVI, section 18 of the California Constitution supersedes any conflicting law, rule, regulation or statute.
6. Warranty and Legal Compliance. The services provided under this Agreement are non-exclusive and shall be completed promptly and competently. Contractor shall guarantee all parts and labor for a period of one year following the expiration of the term of this Agreement unless otherwise specified in Exhibit A. Contractor agrees to comply with all applicable terms of state and federal laws and regulations, all applicable grant funding conditions, and all applicable terms of the Plumas County Code and the Plumas County Purchasing and Practice Policies.

8. Indemnification. To the furthest extent permitted by law (including without limitation California Civil Code Sections 2782 and 2782.8, if applicable), County shall not be liable for, and Contractor shall defend and indemnify County and its officers, agents, employees, and volunteers (collectively “County Parties”), against any and all claims, deductibles, self-insured retentions, demands, liability, judgments, awards, fines, mechanics’ liens or other liens, labor disputes, losses, damages, expenses, charges or costs of any kind or character, including attorney’s fees and court costs (hereinafter collectively referred to as “Claims”), which arise out of or are in any way connected to the work covered by this Agreement arising either directly or indirectly from any act, error, omission or negligence of Contractor or its officers, employees, agents, contractors, licensees or servants, including, without limitation, Claims caused by the concurrent negligent act, error or omission, whether active or passive of County Parties. Contractor shall have no obligation, however, to defend or indemnify County Parties from a Claim if it is determined by a court of competent jurisdiction that such Claim was caused by the sole negligence or willful misconduct of County Parties. The obligations of this indemnity shall be for the full amount of all damage to County, including defense costs, and shall not be limited by any insurance limits.
9. Insurance. Contractor agrees to maintain the following insurance coverage throughout the term of this Agreement:
  - a. Commercial general liability (and professional liability, if applicable to the services provided) coverage, with minimum per occurrence limit of the greater of (i) the limit available on the policy, or (ii) one million dollars (\$1,000,000).
  - b. - iii. All of Contractor's available insurance proceeds in excess of the specified minimum limits shall be available to satisfy any and all claims of the County, including defense costs and damages; and
- iv. Any insurance limitations are independent of and shall not limit the indemnification terms of this Agreement; and
- v. Contractor's policy shall be primary insurance as respects the County, its officers, officials, employees, representatives and agents, and any insurance or self-insurance maintained by the County, its officers, officials, employees, representatives and agents shall be in excess of the Contractor's insurance and shall not contribute with it, and such policy shall contain any endorsements necessary to effectuate this provision. The primary and non-contributory endorsement shall be at least as broad as ISO Form 20 01 04 13; and

If requested by County in writing, Contractor shall furnish a certificate of insurance satisfactory to County as evidence that the insurance required above is being maintained. Said certificate of insurance shall include a provision stating that the insurers will not cancel the insurance coverage without thirty (30) days' prior written notice to the County. County reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications at any time. Contractor shall require all subcontractors to comply with all indemnification and insurance requirements of this agreement, and Contractor shall verify subcontractor's compliance.

### RECITALS

WHEREAS, Client desires to obtain a non-exclusive license to use certain proprietary software and related documentation from Noble under the terms and conditions of this Agreement; and

WHEREAS, Noble desires to grant such license to Client as a hosted service under the terms and conditions of this Agreement and to perform additional services, including but not limited to installation, integration, testing, and training of the Noble software under the terms and conditions of subsequent Work Orders (defined below) issued under this Agreement;

NOW THEREFORE, in consideration of the mutual covenants contained in this Agreement, the parties hereby agree as follows:

### 1. DEFINITIONS

"Agreement": This Agreement including the following Exhibits:

Exhibit A Licensed Software

Exhibit B Third Party Materials

Exhibit C Client Tasks

Exhibit D Pricing

Exhibit E Model Work Order

which are incorporated herein for all purposes.

"Documentation": Text materials which describe the design, function, operation and use of the Licensed Software and which are customarily delivered by Noble to licensees thereof.

"Licensed Software": The source and object code software identified in Exhibit A as Licensed Software, delivered solely by the Hosting Site.

"Third Party Materials": Those products specified as such in Exhibit B which will be procured by Noble from a third party for delivery to Client. Unless identified in Exhibit B or upon notice and written approval of Client, Noble will not deliver any Third Party Materials.

"User Position": Workstations, personal or desktop computers, terminals or other items installed to support and be dedicated to, at any one time, a single individual as part of the Licensed Software.

"Work Order": A written document, in substantial conformity with the model work order in Exhibit E, signed by both parties, specifying the mutually-agreed upon terms for the performance of additional tasks by Noble and which, upon performance, shall be included in and governed by all other terms and conditions of this Agreement. If the Work Order calls for the development of software, the Work Order shall also specify ownership of any intellectual property created thereby in a manner consistent with the title provisions of this Agreement set forth in Section 6, below, and the acceptance criteria for such software.

"Hosted Site": An internet-based website maintained by Noble for the purposes of delivering the Licensed Software to Client.

## 2. SCOPE OF TASKS

Upon execution of this Agreement and receipt of the license fees due hereunder, Noble will promptly deliver a hosted website with the Licensed Software to Client and accomplish its responsibilities under this Agreement provided that Client timely completes its responsibilities under this Agreement, specifically including those set forth in Exhibit C: Client Tasks.

Client is responsible for meeting the environmental site requirements set forth in Exhibit C: Client Tasks in a timely manner and at the Client's cost.

Client may request the performance of additional tasks. If Noble agrees, each such task will be documented in a Work Order which will specify the tasks to be performed, the deliverables, the time table for performance and the basis for payment whether on a fixed-price ("Fixed Price") or time-services-materials-and-expenses (T&M") basis. Unless specified otherwise in the Work Order, the terms and conditions of this Agreement shall apply to performance of the Work Order. The pricing for T&M work shall be at Noble customary pricing schedules unless a specific price is set forth in the Work Order.

## 3. CONSIDERATION

In consideration of Noble's performance, Client agrees to pay Noble in accordance with the following provisions:

License and Other Fixed Price Fees. The charges for Licensed Software and other fixed price items are or shall be set forth in Exhibit D or Work Orders and payable as set forth therein or, if not set forth, payable as follows:

one-third due upon execution of this Agreement or the applicable Work Order, one-third upon delivery, and the balance payable upon acceptance.

**T&M Fees.** The charges for performance of any T&M tasks due to Work Orders will be billed monthly for charges incurred in the previous monthly period and are due and payable within thirty (30) days of the date of the invoice. Expenses may include, but are not limited to, reasonable charges for materials, office and travel expenses, graphics, documentation, research materials, computer laboratory and data processing, and out-of-pocket expenses reasonably required for performance. Expenses for travel and travel-related expenses and individual expenses in excess of US\$500 require the prior approval of Client.

A service charge of one and one-half percent (1.5%) per month, or the highest lawful interest rate, whichever is lower, will be applied to all amounts which are not paid within fifteen (15) business days after notice is given that payment is overdue.

All payments shall be made in United States dollars. International payments will be made by wire transfer to a bank designated by Noble.

#### 4. TAXES

Client agrees to indemnify and hold Noble harmless from any taxes including, but not limited to, sales tax, use tax, withholding, value-added or similar tax, and property taxes that may be assessed or levied by any jurisdiction arising out of the performance of this Agreement but excluding any taxes based upon or determined by reference to Noble's income or level of business activity ("Taxes"). It is understood and agreed that the prices and estimates set forth in this Agreement do not include provision for Taxes and Noble does not collect such taxes for deposit with any federal, state or local taxing authority.

#### 5. ACCEPTANCE

Unless the parties agree otherwise herein or in a Work Order, the Licensed Software will be considered accepted upon delivery. In the event that there are multiple sites, acceptance of the Licensed Software, or any part thereof, at the first such delivery shall constitute acceptance at all subsequent sites.

If a Work Order calls for installation and acceptance testing, the parties agree to the following procedure.

Following proper installation of the Licensed Software by Noble pursuant to the Work Order, unless specified in the Work Order, the parties will perform the acceptance tests provided by Noble for the purpose of determining that the Licensed Software performs substantially in accordance with its Documentation or, in the case of new software development, substantially in accordance with Client's functional requirements for such software. If the Licensed Software (including newly developed software) substantially performs the acceptance tests, Client shall notify Noble within five (5) days, and the date of notification shall be the acceptance date. Failure to do so will constitute acceptance. Testing will be scheduled in accordance with the implementation plan set forth in the Work Order.

If Client fails to notify Noble of any material defect within thirty (30) days of installation of the Licensed Software, the Licensed Software shall be deemed accepted by Client.

If Client notifies Noble in writing and demonstrates to Noble that the Licensed Software has not substantially met the acceptance tests, Noble shall make corrections and modifications to the Licensed Software so as to meet such criteria. The charges for corrections and modifications to Fixed Price components are included in the Fixed Price established therefor. The charges for corrections and modifications to T&M components will be charged on a T&M basis.

Corrections and modifications will be accomplished on a timely basis to make the Licensed Software ready for retesting by Client. The parties shall repeat the acceptance tests as soon as reasonably requested by Noble and Client shall notify Noble within five (5) days after such tests have been conducted if and when the Licensed Software is accepted. In the event that the Licensed Software (or parts thereof) does not pass the applicable acceptance test(s), Client may issue a conditional acceptance, upon terms acceptable to both parties, which will permit utilization in production and continued correction by Noble of any defects. If Client declines to grant conditional acceptance, then Client may terminate this Agreement in accordance with section 8.5. Otherwise, the date of the last such test shall be the acceptance date.

In the event the Licensed Software (or parts thereof) does not pass the applicable acceptance test(s), but is utilized by Client in a production environment for a period of thirty (30) consecutive business days, it shall be deemed accepted for all purposes as if it had successfully passed such acceptance test(s).

## 6. TITLE

Noble shall retain title to all intellectual property rights embodied in the Licensed Software, Documentation and any modification or enhancement of the Licensed Software or Documentation made under this Agreement or any Work Order ("Noble Property").

Client shall retain title to all intellectual property rights embodied in software, and any modification or enhancement thereof, that is provided or developed solely by Client without any violation of the terms of this Agreement and which is not Noble Property ("Client Property").

The parties agree that performance hereunder may result in the development of new concepts, software, methods, techniques, processes, adaptations and ideas, in addition to the Noble Property and/or Client Property, which may be delivered by Noble or embedded in Noble's deliverables ("New Property"). The parties agree that ownership of New Property shall be determined on a case by case basis prior to the execution of a Work Order requiring the delivery of any New Property and such ownership shall be clearly detailed in such Work Order. The parties intend for the designation of ownership in the Work Order to be consistent with (but not necessarily bound by) the following guidelines:

New Property which contains Client's proprietary or confidential information shall belong to Client to the extent it contains such information; and

New Property which contains Noble's proprietary or confidential information shall belong to Noble to the extent it contains such information; and

Any other New Property for which ownership is not allocated by Work Order or by the above default rules shall belong to Noble.

Each party will assign and shall cause its respective employees, agents, and contractors to assign, without further consideration, the ownership of software and/or documentation, including all associated intellectual property rights therein, as necessary to give effect to the ownership terms specified in this Agreement. Each party agrees to perform, at the reasonable request of the owner of such software and/or documentation, such further acts as may be necessary or desirable to transfer ownership of, and to perfect and defend, such software and/or documentation or other deliverable or work product in order to give effect to these ownership terms.

In as far as data entered into the system by Client, such data shall be deemed to be owned by Client. Noble shall have right to use, at its sole discretion, such data in an anonymous fashion, for the purposes of research, validation, and other commercial use. Anonymous data is defined, for the purposes of this section, to refer to data that have had all personally identifying characteristics removed, destroyed, obfuscated, or otherwise rendered de-identifying of the person to whom they relate.

## 7. LICENSE

In accordance with the terms herein, Noble grants to Client, and Client accepts from Noble, a personal, non-exclusive and non-transferable (except as otherwise specifically provided by this Agreement) hosting service license to use the current version of Licensed Software (or any other version provided to Client by Noble) on Noble's hosting servers for the term of this agreement.

Software shall be able to be used at any of Client's business premises without the prior approval of Noble. The Licensed Software may not be used at other locations unless Noble is notified and approves otherwise, such approval not to be unreasonably withheld. Use of the Licensed Software may be subsequently transferred to other locations maintained by Client, provided (1) the total number of User Positions at which the Licensed Software is used by Client does not exceed the number of User Positions specified in Exhibit A and (2) Client provides Noble with written notice within thirty (30) days after such transfer.

The Licensed Software shall be used only for the processing of Client's own business, which may include servicing and maintaining records on behalf of its customers and clients. Client shall not permit any third party to use the Licensed Software. Authorized agents or contractors of Client acting for Client shall not be considered "third parties" for purposes of such limitation provided, however that disclosure of Noble Confidential Information to such agents or contractors will be subject to the provisions of Section 18 ("Confidentiality").

Client shall not use or allow the use of the Licensed Software (a) for rental or in the operation of a service bureau; (b) through terminals located outside Client's business premises by persons not employed by or under contract with Client; or (c) as on-line control equipment in the operation of a nuclear facility, aircraft navigation or aircraft communication systems, or air traffic control machines.

Client shall not, either directly, or through a third party, reverse engineer, disassemble or decompile any software provided by Noble, or make any attempt in any fashion except as specifically provided in this Agreement to obtain the source code to the Licensed Software, nor shall Client reproduce or distribute, the Licensed Software or Hosted Site, or any part thereof, as part of any other software program. Further, Client

may not create any software program which makes direct function calls to any libraries which are Third Party Materials and which are designated as unavailable for such purposes in Exhibit B.

Client is strictly prohibited from installing any third party software on Noble's servers without the express written authorization of Noble.

In the event that the authorized third party software disrupts Noble's server, Noble shall have the right to temporarily disable the software until the problem can be resolved.

In the event that the Client installs third party software on Noble's servers without the express written authorization of Noble's, Noble shall have the right to terminate the Services without notice pursuant to Section 8 herein

## 8. TERM AND TERMINATION

The term of this Agreement shall be for one (1) year. Software Hosting Service shall commence upon the execution of this agreement and shall remain in effect for the original one-year (1-year) term and, thereafter, for renewal terms on a year-to-year basis until terminated (i) by Client in the event the Hosted Site is taken out of service and upon sixty (60) days' notice to Noble; (ii) by either party upon sixty (60) days' notice prior to the expiration of the original one-year (1-year) or any subsequent one-year (1-year) renewal term; (iii) by either party upon a default of the other party, such default remaining uncured for thirty (30) days from the date of written notice from the non-defaulting party to the other specifying such default; (iv) upon the bankruptcy or insolvency of Noble; or (v) the Software Hosting Agreement is terminated. Upon such termination, Noble shall refund to Client a portion of the hosting fee prorated to reflect the date of termination and neither Noble nor Client shall have any further obligations hereunder, unless the termination is enacted by Client under part two (ii) of this section, in which case no refund of maintenance fees is due to Client by Noble.

Each party has the right to terminate this Agreement and license(s) granted herein:

Upon written notice if the other party, its officers or employees violate any material provision of this Agreement including, but not limited to, Section 18 ("Confidentiality") or Section 3 ("Consideration"), provided that the non-breaching party is in substantial compliance with the terms of this Agreement. The default notice must be clearly identified as such, be referenced to this Section 8, and specify in detail the basis for the alleged material breaches. Except with regard to breaches of confidentiality (which shall be ten [10] days) and payment obligations (which shall be fifteen [15] business days), the breaching party shall have thirty (30) days from receipt of such notice to correct such breach;

In the event the other party (i) terminates or suspends its business, (ii) becomes subject to any bankruptcy or insolvency proceeding under federal or state statute or (iii) becomes insolvent or becomes subject to direct control by a trustee, receiver or similar authority.

In the event of termination by reason of Client's failure to substantially comply with any material part of this Agreement, or upon any act which shall give rise to Noble's right to terminate, Noble shall have the right, at any time, to terminate the license(s), deactivate the Hosted Site, and take immediate possession of the Licensed Software and documentation and all copies wherever located, without additional demand or notice.

Within five (5) days after termination of the license(s) as provided above, Client will return to Noble any Licensed Software in the form provided by Noble or as modified by Client at Client's cost, or upon request by Noble destroy the Licensed Software and all copies, and certify in writing that they have been destroyed. Termination under this Article shall not relieve Client or Noble of obligations regarding confidentiality of the Licensed Software.

Without limiting any of the above provisions, in the event of termination as a result of Client's failure to substantially comply with any of its material obligations under this Agreement, Client shall continue to be obligated for any payments due with the exceptions as relate to the Non-Appropriation of Funds clause as set forth in Section 24. Termination of the license(s) shall be in addition to and not in lieu of any equitable or other remedies available to Noble.

Notwithstanding anything contained in this Section 8 to the contrary, once Client has made full payment of the hosting fee for any particular term of hosting the Licensed Software, Noble cannot terminate the license granted hereunder with respect to such program, except for an uncured breach by Client of the terms of Section 7 ("License"), Section 11 ("Compliance with Law"), Section 18 ("Confidentiality") or Section 22 ("Assignment").

Notwithstanding anything herein to the contrary, in the event of termination of this Agreement by Client for cause prior to acceptance of the Licensed Software, the software licenses granted hereunder shall be canceled and Client shall discontinue use of the Licensed Software and Hosting Site and return all copies thereof to Noble and Noble shall refund any license fees paid. Upon such termination and return of the Licensed Software and repayment, the parties hereto shall be discharged of all further liabilities under this Agreement except for such liabilities arising out of the continuing obligations of confidentiality and non-solicitation of employees.

Notwithstanding anything herein, pursuant to Sections 7.7 and 11, Noble may immediately terminate this agreement and withdraw the hosting services in the event that in the sole discretion of Noble, it determines that:

Client is using or allowing, authorizing or assisting the Hosted Site to be used for illegal purposes; or

Client downloads or installs third party software to its Hosting Site without the express written authorization of Noble.

## 9. WARRANTIES

Noble warrants that, for thirty (30) days following Client acceptance of the Licensed Software furnished under this Agreement or the deliverables provided pursuant to a Work Order hereunder (the "Warranty Period"), the Licensed Software, exclusive of Third Party Materials, will substantially conform to the accepted level of performance as set forth in Section 5.2(a) ("Warranty"). To the extent that Client notifies Noble in writing during the applicable Warranty Period of any material non-conformity of the Licensed Software or deliverables with such acceptance level, and provides Noble with (a) Client's estimation of the severity of such non-conformity and (b) such printouts, typescripts, documentation and other details of such non-conformity as Noble shall request, Noble's sole obligations to use reasonable commercial measures to remedy or provide a work-around for such defect. In determining the timing of its response, Noble shall be entitled to take into

account the severity of the defect. In the event that Noble determines that the Licensed Software is not defective in such respect, Client shall reimburse Noble for its services at Noble's then current consulting rate for such services.

Noble warrants that it has, and on the date of acceptance of the Licensed Software will have, the full right and authority to grant this license and that neither this license nor performance under this Agreement does or shall conflict with any other agreement or obligation to which Noble is a party or by which it is bound.

Noble warrants that its technical and consulting services will be of a professional quality conforming to generally accepted industry standards and practices. During the thirty (30) day period following completion of any such services, Noble shall, upon receipt of written notice from Client describing a breach of the foregoing Warranty in such reasonable detail as is requested by Noble, perform the services described in such written notice so as to conform to generally-accepted industry standards and practices.

These warranties do not cover defects or nonperformance due to causes and products external to the Licensed Software, and are not valid with respect to such defects or nonperformance.

If the Licensed Software is not in substantial compliance with the warranties contained in this Agreement at the end of the Warranty Period, Noble shall extend the Warranty Period until the Licensed Software is brought into such compliance.

If any modification is made to the Licensed Software by Client without Noble's approval, this Warranty shall immediately be terminated with respect to such modified software. Correction for difficulties or defects traceable to Client's unauthorized modifications or unauthorized systems changes shall be billed to Client at Noble's standard time and material charges.

All purchase agreements for Third Party Materials being supplied under this Agreement between Noble and other manufacturers and distributors will be submitted to Client for prior approval.

Except as otherwise specifically provided by this Agreement, Noble's sole liability for any damages relating to the (a) performance of the Licensed Software and sufficiency of the services hereunder or (b) matters covered by this Warranty, shall be limited to the provisions of this Section 9 regardless of whether any liability is based on contract or other theory.

THE WARRANTIES IN THIS SECTION 9 ARE LIMITED WARRANTIES AND ARE THE ONLY WARRANTIES MADE BY NOBLE. NOBLE MAKES AND CLIENT RECEIVES NO ADDITIONAL WARRANTY, EXPRESS, IMPLIED, OR STATUTORY, INCLUDING BUT NOT LIMITED TO ALL WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NO AGENT, CONTRACTOR OR EMPLOYEE OF NOBLE, EXCEPT NOBLE'S DULY AUTHORIZED REPRESENTATIVE, IS AUTHORIZED TO ALTER OR EXCEED THE WARRANTY OBLIGATIONS OF NOBLE AS SET FORTH HEREIN.

## 10. NON-SOLICITATION OF EMPLOYEES

Each party agrees that, during the period of performance of this Agreement, and for a period of one (1) year following completion of the period of performance, it will not solicit for employment or hire the employees of the other party without such other party's prior written consent thereto. The period of performance for

purposes of this Section 10 shall begin on the effective date of this Agreement and end upon the earlier to occur of: (1) final payment by Client of any fees due under Section 3 of this Agreement; or (2) termination of this Agreement and the license(s) granted hereunder.

If either party hires any personnel of the other party who are or have been assigned to perform work for the party seeking to hire such personnel under this Agreement, the hiring party shall pay the other party a fee for the additional benefit obtained thereby. If such hire occurs during the performance of this Agreement or within one (1) year following completion of the period of performance, the hiring party shall pay an amount equal to one hundred percent (100%) of the total first year compensation paid to such personnel.

## 11. COMPLIANCE WITH LAW

This Agreement is made subject to any laws, regulations, orders or other restrictions on the export of the Licensed Software, or information about the Licensed Software, which may be imposed at any time or from time to time by the United States Government. Client (i) shall comply with all such laws, regulations, permits, orders and other restrictions to the extent that they are applicable to Client and (ii) shall not, directly or indirectly, export or re-export (as defined in the United States Export Administration Regulations) the Licensed Software or any information about the Licensed Software to any country for which the United States Government, or any agency thereof, requires an export license or other governmental approval without first obtaining the same. Noble shall comply with all applicable statutes with respect to labor employed, and shall protect and indemnify Client against any payroll taxes or contributions imposed with respect to employees of Noble or any subcontractor by any applicable law dealing with old age benefits, FICA, unemployment compensation, health insurance and related subjects. Noble and Client agree that Noble is an independent contractor. Noble shall be liable for and hereby represents to Client that all payments and obligations to subcontractors and suppliers will be timely made and satisfied at all times during the term of this Agreement, and agrees to indemnify Client for any loss to Client relating to Noble's violation of the provisions of this Article, provided, however, Noble is given prompt written notice of any claim or action and control, authority, information, and reasonable assistance for defense or settlement thereof; and provided further that Client shall not settle such claim, suit or proceeding without the written consent of Noble.

Client acknowledges and agrees that Noble may elect at its sole discretion to monitor the activities of the Client on its Hosted Site. Client agrees to use the Services and the Website for legal purposes only. In the event that Noble becomes aware or reasonably believes, in its sole discretion, that the Website is being used for illegal purposes, Noble shall be entitled to immediately terminate the Agreement and the Services without notice in addition to any remedies to which it may be entitled under law.

Client agrees to indemnify and save harmless Noble from and against all losses, damages, actions or causes of action, suits, claims, demands, penalties and interest arising in connection with or out of any illegal use of the Licensed Software or the Hosted Site.

## 12. APPLICABLE LAW

The law of the State of California applies to this Agreement and the rights, duties, and obligations of the parties hereto. The state and or federal courts in Plumas County, California, shall have exclusive jurisdiction of

any action arising out of or relating to this Agreement and each of the parties further irrevocably agrees to waive any objection to the venue of any such suit or proceeding in Plumas County, California, or to in personam jurisdiction, provided that service is effective.

The United Nations Convention on Contracts for the International Sale of Goods is excluded from application hereto.

### 13. PROPRIETARY RIGHTS INDEMNITY

Noble shall defend, indemnify and hold harmless Client with respect to any claim, demand, cause of action, or liability, including attorneys' fees, to the extent that such is based upon a claim that the Licensed Software, (including any deliverables pursuant to Work Orders) used by Client within the scope of the licenses granted hereunder, infringes any United States, UK, Hong Kong, France, Germany, Switzerland, or Japan patent, any United States copyright, or any trade secret or other intellectual property rights; provided that Noble is promptly notified in writing of such claim and provided further that Noble shall have the exclusive right to control such defense. The acceptance, by Noble, of tender of defense of any claim shall give Noble the right to select legal counsel and manage the defense, provided that Client shall be given regular notice and opportunity to participate in such litigation, at Client's expense. In no event shall Client settle any claim, lawsuit or proceeding without Noble's prior written approval. Client may, at its own expense, assist in such defense if it so chooses.

In the event of any such claim, litigation or threat thereof, Noble, at its sole option and expense, may procure for Client the right to continue to use the Licensed Software or, at its sole option and expense, may replace or modify the Licensed Software with functionally-compatible, non-infringing software. If such settlement or such modification is not reasonably practical in the sole opinion of Noble, after giving due consideration to all factors including financial expense, or if a temporary or final injunction or other judgment is obtained against Noble with respect to the Licensed Software or any part thereof, Noble may cancel this Agreement or the applicable Work Order and the licenses granted thereunder upon fifteen (15) days written notice to Client and shall refund to Client the unamortized portion of the amounts paid to Noble by Client for the development and/or acquisition thereof based upon five (5) year straight-line depreciation, such depreciation to commence on the date on which the Licensed Software was first accepted hereunder. Upon such repayment Noble shall be discharged of all further liability hereunder except for the obligations set forth in Section 13.1 hereof.

To the extent its agreement with a vendor of Third Party Materials permits, Noble will pass through to Client any proprietary rights indemnity relating to such Third Party Materials; provided, however, that Noble gives no additional or supplemental indemnity with respect thereto.

The foregoing states the entire liability of Noble and the exclusive remedies of Client with respect to the infringement of any proprietary rights by the Licensed Software or any parts thereof, and Client hereby expressly waives any other such liabilities.

#### 14. GENERAL INDEMNITY

The parties acknowledge that it may be necessary for the employees of each to be present at the facilities of the other for extended periods of time. The parties agree upon reasonable notice to provide the employees of the other with all reasonable facilities and services to assure that their services may be properly performed.

Each party will instruct its employees to conform to the internal regulations and procedures of the other party while on such party's premises.

Additionally, each party agrees to indemnify, defend, and save harmless the other party, its officers, agents, and employees from any and all claims and losses accruing or resulting to any person, firm, or corporation for personal injury or tangible property damage, but only to the extent of the negligence and/or willful misconduct of the indemnifying party.

To the furthest extent permitted by law (including without limitation California Civil Code Sections 2782 and 2782.8, if applicable), County shall not be liable for, and Contractor shall defend and indemnify County and its officers, agents, employees, and volunteers (collectively "County Parties"), against any and all claims, deductibles, self-insured retentions, demands, liability, judgments, awards, fines, mechanics' liens or other liens, labor disputes, losses, damages, expenses, charges or costs of any kind or character, including attorney's fees and court costs (hereinafter collectively referred to as "Claims"), which arise out of or are in any way connected to the work covered by this Agreement arising either directly or indirectly from any act, error, omission or negligence of Contractor or its officers, employees, agents, contractors, licensees or servants, including, without limitation, Claims caused by the concurrent negligent act, error or omission, whether active or passive of County Parties. Contractor shall have no obligation, however, to defend or indemnify County Parties from a Claim if it is determined by a court of competent jurisdiction that such Claim was caused by the sole negligence or willful misconduct of County Parties. The obligations of this indemnity shall be for the full amount of all damage to County, including defense costs, and shall not be limited by any insurance limits.

#### 15. INSURANCE

Noble certifies, and will provide evidence thereof at Client's request, that Noble maintains:

A standard policy covering the obligations of Noble for Worker's Compensation Insurance pursuant to the laws of California or such other jurisdiction as applicable.

Insurance covering bodily injury and property damages in the amount of not less than \$1,000,000 for each occurrence and \$3,000,000 aggregate. Such coverage may be achieved through a combination of commercial general liability and umbrella liability policies.

Automobile liability insurance covering all owned, non-owned, and hired vehicles with a combined single limit for bodily injury and property damage of not less than \$2,000,000 per accident.

## 16. LIMITATION OF LIABILITY

NEITHER PARTY SHALL BE LIABLE FOR CONSEQUENTIAL, EXEMPLARY, OR INCIDENTAL DAMAGES OF THE OTHER PARTY OR OF DIRECT DAMAGES GREATER THAN THE LIMITATIONS ESTABLISHED HEREIN EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Noble shall not be liable to Client for cumulative direct damages greater than the lesser of (1) the total amount having then been paid by Client to Noble under this Agreement, or (2) if such damages arise in connection with the performance of any Work Order, the amount having then been paid by Client to Noble under such Work Order; provided, however, that the limitation of this sentence shall not apply to Noble's obligations set forth in Section 13 ("Proprietary Rights Indemnity") or Section 14 ("General Indemnity") of this Agreement or for such liabilities covered by the insurance defined in Section 15 ("Insurance") in which case the limits of such coverage will govern.

Except where the limitation does not apply as described above, Client releases Noble from all obligations, liability, claims, or demands relating to the Licensed Software and Documentation and this Agreement in excess of the limitations provided for in this Section 16. The parties acknowledge that the limitation set forth in this Section is integral to the amount of fees levied in connection with the license of the Licensed Software and Documentation and the services rendered hereunder and that, were Noble to assume any further liability other than as set forth herein, such fees would of necessity be set substantially higher.

Client further agrees that it shall have no claim or cause of action against third party licensors to Noble of any Third Party Materials which are embedded in the Licensed Software, except to the extent such rights have been duly assigned to Client.

## 17. FORCE MAJEURE

Neither party shall be liable for default or delay caused by any occurrence beyond its reasonable control or beyond the reasonable control of any subcontractor, including but not limited to fires, strikes, accidents, acts of God and subcontractor defaults. In the event Noble should be delayed in the completion of any portion of the work by reason of any such occurrence, the time within which the portion of work is to be completed shall be extended by the period of such delay, but no such extension shall be made unless a notice thereof is presented by Noble to Client in writing within ten (10) working days after the occurrence of such delay and no payment shall be made by Client to Noble for any expenses incurred by Noble by reason of any such default or delay.

In addition to the foregoing, Noble shall not be liable for default or delay caused by Noble's efforts to comply with U.S. Government export control laws and regulations. In the event that U.S. Government export control laws or regulations change after the execution of this Agreement and such changes inhibit or prohibit Noble from performing under this Agreement, Noble shall not be liable for its non-performance.

## 18. CONFIDENTIALITY

Any information which a party considers to be confidential or proprietary shall, if tangible, be marked as such or, if communicated orally, designated at the time and promptly confirmed in writing as such. Information which is so marked or designated and confirmed, and the Licensed Software regardless of form or designation, shall be "Confidential Information" under this Agreement. Information received by Noble while on the premises of Client shall be deemed Confidential Information whether marked as such or not.

Confidential Information shall be held in trust and used only as necessary for the performance of this Agreement. Confidential Information shall be treated with the same degree of care to avoid disclosure to third parties as is used with respect to the recipient party's own Confidential Information, but not less than a reasonable degree of care.

Confidential Information shall be disclosed only to those employees or agents of a party who have a need to know such information and are under a binding obligation of confidentiality with respect to any such information received. Confidential Information shall not be disclosed to any other third party without the prior written consent of the party disclosing the Confidential Information. The party receiving Confidential Information shall defend, indemnify and save the disclosing party harmless from and against any and all damages, including reasonable attorneys' fees, sustained as a result of the unauthorized use or disclosure of the disclosing party's Confidential Information.

Confidential Information shall not include information (a) at the time of its disclosure was known to the party to whom disclosed; (b) is already in the public domain or becomes generally known or published without breach of this Agreement; (c) is lawfully disclosed by a third party free to disclose such information; (d) is independently developed by the party to whom disclosed without reference to or use of the Confidential Information; or (d) is legally required to be disclosed provided that the party so compelled shall promptly notify the other party so as to permit such other party to appear and object to the disclosure and further provided that such disclosure shall not change or diminish the confidential and/or proprietary status of the Confidential Information.

Notwithstanding the restrictions of this Section 18, Noble or Client may announce the parties' relationship in a press release subject to the reasonable written approval of the other party.

## 19. DISPUTE RESOLUTION

Except as provided in Section 20 below and unless otherwise required in order to comply with deadlines under the law, neither party shall file an action or institute legal proceedings with respect to any dispute, controversy, or claim arising out of, relating to, or in connection with, this Agreement until: (a) the aggrieved party has given the other party written notice of its grievance setting forth the nature of the dispute, the amount involved, if any, and the remedy desired, and delivering same by certified mail; (b) the other party has failed to provide a prompt and effective remedy; (c) the aggrieved party has requested senior executives for both parties to meet and discuss the matter in order to consider informal and amicable means of resolution; and (d) either such meeting failed to occur within fifteen (15) days after such request or the meeting did not produce a mutually satisfactory resolution of the matter.

## 20. INJUNCTIVE RELIEF

Noble and Client hereby acknowledge and agree that damages at law and the dispute resolution provisions of Section 19 may be inadequate remedies for the breach of Sections 6 ("Title"), Section 7 ("License"), Section 10 ("Non-Solicitation of Employees") or Section 18 ("Confidentiality") hereof, and, accordingly, Noble and Client hereby agree that Noble and/or Client may be entitled to temporary and permanent injunctive or other equitable relief with respect to any such breach without the necessity of proving actual damages or posting a bond or other security or resorting to the provisions of Section 19. The rights set forth in this Section 20 shall be in addition to any other rights which the parties may have at law or in equity.

Noble and Client agree that if any portion of this Relief provision is found to be over-reaching or unenforceable, that these provisions can, nonetheless, be applied to the extent found to be enforceable.

## 21. NOTICES

Unless stated otherwise, all notices, approvals, consents, requests, demands, or other communication to be given to either party shall be in writing by any means where receipt is acknowledged, including electronic transmission, except by facsimile transmission, and shall be effective on the date of receipt thereof. If undeliverable, or if receipt is not acknowledged by the receiving party, such communication shall be effective ten (10) days from the date mailed or sent.

Such communication shall be addressed to the parties, except Default Notices and Notices of Termination which shall be addressed to the parties and their legal counsel, at their respective addresses set forth below, or at any other address that each party shall provide to the other in writing:

## 22. ASSIGNMENT

This Agreement shall be binding upon and inure to the benefit of the parties' respective successors and permitted assigns. Neither party may assign this Agreement and/or any of its rights and/or obligations hereunder without the prior written consent of the other party and any such attempted assignment shall be void, except that either party may assign this Agreement and/or any of its rights and/or obligations hereunder, upon written notice to the other party to another entity in the event of that party's merger or consolidation with another entity, without the consent of the other party, provided that the assignee is capable of fulfilling and intends to fulfill the obligations of the assigning party under this Agreement. Each party may terminate this Agreement in case there is a change of control of the other party, but shall not be entitled to any refund whatsoever and all amounts owing shall be immediately paid. The term, "Change of Control" shall be limited to an ownership change of more than Fifty Percent (50%) during any twelve-month period. In the case of a

governmental agency as Client, the term, "change of control" shall be limited to a complete transfer of the responsibilities of such agency for which this Software has been licensed to another agency.

## 23.GENERAL

This Agreement constitutes the complete and exclusive statement of the agreement between the parties as relates to the subject matter and supersedes all proposals, oral or written, and all other representations, statements, negotiations and undertakings relating to the subject matter.

No change in, addition to, or waiver of any of the provisions of this Agreement shall be binding upon either party unless in writing signed by an authorized representative of such party. No waiver by either party of any breach by the other party of any of the provisions of this Agreement shall be construed as a waiver of that or any other provision on any other occasion.

In the event any one or more of the provisions of this Agreement shall be held by a court of competent jurisdiction to be invalid, illegal, or unenforceable, the remaining provisions of this Agreement shall remain in effect and the Agreement shall be read as though the offending provision had not been written or as the provision shall be determined by such court to be read.

Upon termination or other expiration of this Agreement, each party shall forthwith return to the other all papers, materials and other properties of the other held by it for purposes of execution of this Agreement.

The captions used in this Agreement are inserted for the convenient reference of the parties and in no way define, limit or describe the scope or intent of this Agreement or any part hereof.

Dates or times by which Noble is required to make performance under this license shall be postponed automatically for so long as Noble is prevented from meeting them by causes which are Client's responsibility.

The prevailing party in a controversy or claim shall have the right to collect its reasonable expenses incurred in enforcing this Agreement, including reasonable attorney's fees.

This Agreement may be executed in two original counterparts, which together shall constitute the same Agreement, but only one of which need be produced to evidence the Agreement.

The parties further agree that the rights and obligations set forth in Sections 3, 4, 6, 10, 11, 12, 13, 14, 16, 18, 19, 20, 21, and subsections 23.1, 23.2, 23.3, 23.4, and 23.7 shall survive the completion or termination of this Agreement for any reason, with the exceptions as related to Section 24 Non-Appropriation of Funds clause, and enforcement thereof shall not be subject to any conditions precedent.

## 24.NON-APPROPRIATION OF FUNDS

It is mutually agreed that if, for the current fiscal year and/or any subsequent fiscal years covered under this Agreement, insufficient funds are appropriated to make the payments called for by this Agreement, this Agreement shall be of no further force or effect. In this event, the County shall have no liability to pay any further funds whatsoever to Contractor or furnish any other consideration under this Agreement and

Contractor shall not be obligated to perform any further services under this Agreement. If funding for any fiscal year is reduced or deleted for the purposes of this program, the County shall have the option to either cancel this Agreement with no further liability incurring to the County or offer an amendment to Contractor to reflect the reduced amount available to the program. The parties acknowledge and agree that the limitations set forth above are required by Article XVI, section 18 of the California Constitution. Contractor acknowledges and agrees that said Article XVI, section 18 of the California Constitution supersedes any conflicting law, rule, regulation, or statute.

IN WITNESS WHEREOF, each party has caused a counterpart original of this Agreement to be executed as of the date first written above by its authorized representative.

## **Article 2. Alternatives to the Specified Frequency of Inspection Frequencies**

### **Section 4071. Purpose of Article Alternative Inspection Plan Requests.**

This article authorizes county sealers or directors of weights and measures, upon approval of the Director, to use plans for inspection of weighing and measuring devices other than those stated in Article 1 of this chapter. A portion of the sealer's resources will thus be made available for other weights and measures enforcement work which the Director finds to be necessary.

Upon granting such approval, the Director will instruct the sealer or director to perform such alternative work.

A county sealer may submit a written request to the Secretary to implement an alternative inspection plan including inspection frequencies different from those specified in Section 4070, Table 1. For purposes of this article, an alternative inspection plan is referred to as an alternative plan. Upon written approval by the Secretary, a portion of the county sealer's resources shall be made available for other activities related to weights and measures specified in Section 4074. Upon granting such approval, the Secretary will instruct the county sealer to perform such alternative activities related to weights and measures.

Note: Authority cited: Sections 12027 and 12212, Business and Professions Code.

Reference: Section 12212, Business and Professions Code.

### **Section 4072. Findings. [Repealed]**

The Director finds (1) that the minimum frequency of inspection required by Article 1 should be modified in some counties because of evidence of satisfactory and continuing

accuracy of certain weighing and measuring devices; (2) there is an increasing need to perform additional end result type inspections; and (3) that the performance of other enforcement work will assist the sealer in providing to consumers and commerce the services and protection required to be provided by the Business and Professions Code.

Note: Authority cited: Sections 12027 and 12212, Business and Professions Code.  
Reference: Section 12212, Business and Professions Code.

**Section 4073. Submittal and Approval of an Alternative County Plans.**

County plans will be approved in writing by the Director upon request and compliance with adequate requirements.

- (a) The written request specified in Section 4071 shall include, but is not limited to:

  - (1) A listing of devices formatted similar to Section 4070, Table 1, proposing the alternate inspection frequency for each specified device type. The alternative plan shall stipulate which device types will be inspected on a regular frequency, a variable frequency, or on the basis of a statistical sampling procedure.
  - (2) A description of the justification and findings that support the county's request. This includes, but is not limited to:

    - (A) Evidence of satisfactory and continuing accuracy of weighing and measuring devices that may be affected by the alternative plan;
    - (B) The alternative activities related to weights and measures that will be performed; and
    - (C) A description of the added benefits to consumers and businesses in the county.
- (b) Once approved by the Secretary, the county sealer shall submit any reports requested by the Secretary regarding implementation of the alternative plan.
- (c) The Secretary's approval will remain in effect for five years, after which the alternative plan will expire and all device inspection frequencies will revert to those established in Section 4070, Table 1. Alternative plans approved by the Secretary prior to July 1, 2021, will remain in effect until July 1, 2026.
- (d) Notwithstanding subsection (c), the Secretary may withdraw, modify, or terminate the alternative plan at any time it is determined that the provisions of this chapter are not being fulfilled by the county sealer.

(e) If an alternative plan expires, requires modification, or has been withdrawn or terminated, a county sealer may submit a new written request in accordance with subsection (a). The Secretary shall evaluate the county's new request to implement an alternative plan and perform other activities related to weights and measures based upon the county's current resources and needs.

Note: Authority cited: Sections 12027 and 12212, Business and Professions Code.

**Section 4074. Instructions to Sealers Approved Alternative Activities Related to Weights and Measures.**

(a) Frequency of Inspection. The county sealer or director of each county desiring to participate in this program shall prepare a plan of inspection for devices and submit it to the Director for approval. The plan shall provide that all commercial devices shall be tested either on a regular frequency, a variable frequency, or on the basis of a statistical sampling procedure. The sealer shall initiate variable frequency or statistical sampling plans upon approval of the Director and submit to the Director such reports as he may require concerning the operation of the plan and the level of consumer protection provided. The Director may withdraw his approval and require modification or termination of the plan when he determines it is necessary for the purpose of this chapter.

**AGENDA REQUEST**

For the December 7, 2021 Meeting of the Board of Supervisors

Date: November 29, 2021

To: Honorable Board of Supervisors  
From: John Mannle, Director of Public Works  
Subject: Consideration to adopt the proposed Resolution opting to affirm rural exemption from the requirements of Mandatory Organics Collection Services.

**SUMMARY:**

Over the last several years the Department of Resources Recycling and Recovery (CalRecycle) has been developing regulations for implementation of Senate Bill (SB) 1383 (Lara, Chapter 395, Statutes of 2016) Short-lived Climate Pollutants (SLCP): Organic Waste Reductions regulations and a resolution for a rural exemption from complying with the organic waste collection requirements. While this exemption will allow Plumas County to delay collection of organic waste and procurement of recovered organic waste products, which is a huge relief, there are other components of SB 1383 that are still applicable and must be addressed. SB 1383 extends beyond the programs managed by the Department of Public Works Solid Waste Division. The Board of Supervisors will need to determine which Department(s) will take responsibility to implement the related additional requirements including staffing, monitoring, recordkeeping, enforcement, and reporting.

**BACKGROUND:**

SB 1383 builds upon the AB 1826 Recycling of Organic Waste that was signed into law in September of 2014. The statute required businesses that generate a specified amount of organic waste (including food waste) per week to arrange for recycling services for organic waste in a specified manner. It phased in businesses by the amount of organic waste or solid waste generated and required jurisdictions to implement organics recycling education, outreach, and monitoring activities, and report annually to the Department of Resources Recycling and Recovery (CalRecycle), much the same as the mandatory commercial recycling program, but did not require local agencies to conduct enforcement or penalties.

Agenda Request

SB 1383 Rural Exemption Resolution

Page 2

A provision was included in the statute that allowed an exemption from all requirements of AB 1826 for counties with a population of less than 70,000 until January 1, 2020. Nineteen counties were qualified to apply for the “rural jurisdiction” exemption provision, representing only 1.4% of the solid waste stream statewide at that time (see attached map). All nineteen counties applied for and received approval of the rural jurisdiction exemption, which Plumas County received.

Pursuant to AB 1826, at its September 2020 public meeting, CalRecycle announced that it assessed and determined that statewide disposal of organic waste has not been reduced to 50 percent of the 2014 disposal level. As a result, Cal Recycle reduced the threshold so that a business that generates two cubic yards or more per week of commercial solid waste shall arrange for the organic waste recycling services. CalRecycle also extended the current AB 1826 rural exemption until December 31, 2026.

**ISSUE:**

Over the last several years, CalRecycle has been developing regulations for the implementation of SB 1383, the most significant waste reduction mandate to be adopted in California in the last 30 years. SB 1383 requires the state to reduce organic waste disposal by 50 percent by 2020 and 75 percent by 2025 from 2014 levels. The law also requires the state to increase edible food recovery for human consumption by 20 percent by 2025.

The Rural County Representatives of California (RCRC) and the Rural Counties’ Environmental Services Joint Powers Authority (ESJPA) staff worked closely with the public and private sector solid waste industry and CalRecycle to address a number of concerns and craft a more reasonable and workable version of the regulations. While the final regulation did not provide as much flexibility as desired, RCRC/ESJPA maintained a number of principles surrounding the SB 1383 regulations, mainly trying to ensure local governments/generators are not penalized or face costly burdens when an organics recycling infrastructure simply does not exist; and again providing a temporary reprieve from the organic collection mandate for rural county/city solid waste managers in less populated counties and areas where virtually no viable organics recycling services can/will occur in the near future.

The SB 1383 regulations were approved by the Office of Administrative Law (OAL) on November 3, 2020. Beginning January 1, 2022, these regulations *require* organic waste collection services be provided to *all* commercial and residential generators and include requirements for container colors and labeling, sampling and monitoring for contamination minimization, public education and outreach, edible food recovery programs, procurement of recovered organic waste products, capacity planning for organic waste processing facilities and edible food recovery programs, recordkeeping and reporting, enforcement and penalty requirements, and facility waste evaluations and reporting. Failure to implement the provisions of SB 1383 could subject the county to a fine of up to \$10,000/day for a major violation.

The regulations also include several waivers and exemptions from the organic waste collection service that a jurisdiction may apply to CalRecycle for approval. As with AB 1826, SB 1383 includes a rural jurisdiction exemption provision (counties with populations of less than 70,000). This exemption is for the collection of organic waste until December 31, 2026. In 2026 if the county is eligible to request a low population waiver, then the collection requirements are delayed for an additional five years. The exemption also includes a delay in the procurement of recovered

organic waste products and capacity planning for organic waste processing facilities requirements. The associated education, reporting, enforcement, and monitoring to these requirements would not be applicable. However, other requirements in the regulations are applicable and are outlined below. In addition, the county is still subject to the requirements of AB 341, mandatory commercial recycling.

While the rural jurisdiction exemption allows our county to delay collection of organic waste and procurement of recovered organic waste products, which is a huge relief, there are other components of the SB 1383 regulations that are still applicable and must be addressed. The SB 1383 regulations extend beyond the Public Works Solid Waste Management Division and their programs. The Board will need to determine which Department(s) will take responsibility to implement the various requirements including staffing, monitoring, recordkeeping, enforcement, and reporting contained in the regulations for the following program components:

- The County is required to adopt an ordinance or other enforceable mechanism for implementation of SB 1383 by January 1, 2022. Components to be addressed in the ordinance are education and outreach, edible food recovery, procurement of paper products, CalGreen Building standards, Model Water Efficient Landscape Ordinance, inspections and enforcement for edible food recovery, recordkeeping and reporting for each of the program requirements.
- Procurement of Paper Products. (Note: This impacts every department.)
- Portions of the CalGreen Building Standards (recycling containers in new commercial and multi-family construction and construction and demolition recycling of residential and non-residential construction debris) and Model Water Efficient Landscape Ordinance (for new construction to meet Water Efficient Landscape requirement for compost and mulch application) have been made enforceable requirements under this regulation.
- Edible food capacity planning
  - The county, and each city, Regional Agency, and special district that provides solid waste collection services within the county must plan for adequate capacity for recycling organic waste and edible food recovery.
  - The county will need to lead this effort by coordinating with the cities, regional agencies, and special districts that provide solid waste collection services that are located within the county.
- Establish an edible food recovery program:
  - Beginning in 2022 for Tier 1 food waste generators (supermarket (gross annual sales of at least \$2 million), grocery store (facility size 10,000 square feet), food service provider, food distributor, and wholesale food vendor), and
  - Beginning in 2024 for Tier 2 food waste generators (restaurant with 250 or more seats, or a total facility size of 5,000 square feet, hotel with an on-site food facility and 200 or more rooms, health facility with an on-site food facility and 100 or more beds, large venues (e.g. county fair with more than 2,000 individuals per day), large events (e.g. sporting events or flea market with more than 2,000 individuals per day), a state agency with a cafeteria with 250 or more seats or a total cafeteria facility size at least 5,000 square feet, a local education agency with an on-site food facility)
  - The edible food recovery program must include the following:
    - Educate commercial edible food generators.
    - Increase commercial edible food generator access to food recovery organizations and food recovery services.

- Monitor commercial edible food generator compliance starting in 2022 with Tier 1 commercial edible food generators.
- Increase edible food recovery capacity if the required analysis required indicates that the jurisdiction does not have sufficient capacity to meet its edible food recovery needs.
- Applicable recordkeeping and reporting.
- Applicable enforcement.
- Applicable penalty requirements beginning 2024.
- Reporting and Record-Keeping

There are still other SB 1383 requirements that will impact the Plumas County Solid Waste Division and its programs:

- Procurement of paper products and applicable recordkeeping and reporting.
- Education and outreach related to organic waste recycling and applicable recordkeeping and reporting.

To take advantage of the rural jurisdiction exemption, Plumas County Board of Supervisors must pass a resolution including findings as to the purpose and need for the exemption and submit the resolution to CalRecycle. CalRecycle currently plans to provide application procedures in May/June of 2021 and begin accepting applications in September 2021. Attached is a resolution exempting Plumas County from the mandatory organics collection of organic waste for the Board's consideration.

**RECOMMENDATION:**

The Director of Public Works respectfully recommends the following:

1. The Board of Supervisors vote to adopt the attached Resolution exempting Plumas County from the mandatory organic waste collection service requirements from commercial and residential generators.
2. Discuss and provide staff direction on other SB1383 Requirements

**RE:** Agenda Item for the meeting of December 7, 2021

**It is recommended that the Board:**

**Background and Discussion:**

The Boating Safety and Enforcement Financial Aid Program provides funding for the Plumas County Sheriff's Boating Safety and Enforcement Unit to provide education and information on boating safety issues, supervise organized water events, provide assistance to water users, and enforce state and local laws on the waterways in Plumas County.

The funding award for BS&E program costs for fiscal year 22/23 is a baseline allocation of \$132,511.00. The program requires a county contribution of the estimated county boat tax revenue in the amount of \$32,286.24. The grant application is more than the baseline funding to allow for the receipt of additional funds if available. The application amount is not the program total, it will be the award amount.

This agreement shall be for the term beginning July 1, 2022 and ending June 30, 2023.

Resolution and contract have been reviewed by County Counsel.

Total estimated costs are offset by the estimated prior year vessel taxes received by the county to determine the maximum amount of financial aid you are eligible for. Vessel taxes received by the county represent 100% of the amount received by the county from the share of personal property taxes on vessels allocated to the County General Fund for boating safety and enforcement activities. Report on line 1 the estimated amount of prior year vessel taxes you anticipate you will receive.

## COUNTY ADMINISTRATOR

Gabriel Hydrick

### AGENDA REQUEST AND STAFF REPORT

For the December 7th, 2021 meeting of the Plumas County Board of Supervisors

**Subject:** CDBG CV-2 & 3 Grant Application Resolution and MOU

**To:** Honorable Board of Supervisors, Clerk of the Board, County Counsel

**From:** Gabriel Hydrick, County Administrator

**Date:** 11/29/2021

**Strategic**

**Relevance:** N/A

#### Background/Introduction:

On December 18, 2020, HCD issued **CDBG CV2 & CV3 NOFA** for funding provided under the Coronavirus Aid, Relief, and Economic Security (CARES) Act signed into law March 27, 2020. Approximately \$71 million in new Coronavirus Response Round 2 and 3 (CDBG-CV2 and CDBG-CV3) federal funds authorized by the CARES Act will be allocated to eligible jurisdictions to perform activities related to COVID-19 response and recovery.

On December 18, 2020, Housing and Community Development (HCD) issued **CDBG CV2 & CV3 NOFA** for funding provided under the Coronavirus Aid, Relief, and Economic Security (CARES) Act signed into law March 27, 2020.

Earlier this year the County began the application process with Board support. The application is complete but for the resolution and Memorandum of Understanding with the city of Portola. Today's proposed action is to adopt a resolution supporting the CDBG CV 2 & 3 grant application for a **Small Business Grants Program**. The resolution for a **Career Development Program** (through PCIRC) was already adopted by the Board of Supervisors. Grant funding can be used for the following:

- Payment of lease/rent/mortgage or utilities
- Payment of debt incurred since March 2020
- Employee wages and associated costs
- Supplies and materials to help prevent the spread of COVID
- Costs associated with complying with public health orders
- Any other CDBG eligible expenses to prevent, prepare for, and respond to COVID

The County and city of Portola have been working together on this grant and the City is submitting its application with the County's. Portola has an amount of \$285,985 that will also go towards the Small Business Grants Program. With the City joining under the County's application, CDBG CV 2 & 3 grants will total \$673,462. A MOU between the City and County is included in the this background material.

No more than 13% of the total allotment may be used for administrative costs for both of these programs. Therefore, \$50,372 has been set aside, but any unused administrative funds will be put towards the programs.

**Finding Analysis:**

The remaining steps for this grant application is to finalize a MOU with the City and to adopt the resolution.

**Recommended Actions:**

Staff respectfully recommends the Board of Supervisors:

- Adopt the MOU with the City
- Adopt the Resolution for the CDBG CV 2 & 3 Grant application for the Small Business Grants Program

Or

- Provide staff different direction

**Fiscal Impact:**

The CDBG CV-2 & 3 grant money will cover all costs including administrative costs. There is no cost to the General Fund.

Protecting the places that make the  
Feather River region special

November 26, 2021

In December 2021, the Feather River Land Trust (FRLT) will be submitting a \$300,000 grant proposal to the Economic Development Administration (EDA) (FY 2021 American Rescue Plan Act Travel, Tourism, and Outdoor Recreation) in order to create a first-class tourism destination for the Olsen Barn Meadow (adjacent to the east side of Chester). The enhanced features included in the grant are an ADA trail to the barn; interpretive signage highlighting the cultural, historically and ecological importance of the landscape; increased seating and picnic areas; and further protection and restoration of the 150 year old barn, including a water hook up for fire protection; and a bathroom. These enhancements will be beneficial to local residents, especially those with physical challenges who presently can't access the historic barn. It will also draw visitors to Plumas County in all four seasons, especially having a positive impact on the Chester economy which has been so seriously impacted by Covid and wildfires in the past two years.

Plumas County was a key partner in the 2015 purchase of the 100-acre Olsen Barn Meadow by allocating Proposition 50 funds towards the purchase. Since that time the land trust has made significant improvements, including an easily accessible parking area, a mowed trail, and some barn restoration. Creating a truly premier destination without the EDA grant would take many years of fund raising and may not be possible, but could be accomplished in two years if the grant is approved.

The Feather River Land Trust is asking for support from the Plumas County Board of Supervisors for this project. All financial and legal obligations for this project are borne by the Feather River Land Trust and not Plumas County.

Thank you for your assistance.

Gabe Miller  
Associate Director  
Feather River Land Trust

## Memo

**To:** Plumas County Board of Supervisors  
**From:** Redistricting Team  
**Date:** November 30, 2021  
**Re:** Redistricting Ordinance

---

California Elections Code section 21500, et seq. requires that the Board of Supervisors adopt supervisorial district boundaries based on the total population of districts following the federal decennial census.

As directed by the Board of Supervisors, County Staff and its consultants conducted a series of public hearings and workshops on the redistricting process at which time the public was invited to provide input regarding the composition of supervisorial districts.

The County of Plumas completed the Fourth Public Hearing on November 23<sup>rd</sup>, 2021 and is now adopting the revised supervisorial boundaries by ordinance.

Pursuant to Elections Code section 21508, Plumas County took steps to encourage residents, including those in underrepresented communities, to participate in the redistricting public review process. The steps taken include but are not limited to: providing notices and press releases to county media organizations, mailing information regarding redistricting to community groups (Plumas County Grand Jury, Plumas County League of Women Voters, Plumas County Democratic Central Committee, Plumas County Republican Central Committee, and the Feather River Bulletin). Flyers were posted prior to meetings and a webpage was maintained with notices of each hearing posted at least five days prior to the hearings. Notices and/or press releases were also provided to Plumas News to be posted at least five days before each hearing. County Staff also utilized the Plumas County Facebook page, and created a Plumas County Redistricting page, providing notice of all hearings. At each stage, residents were encouraged to provide public comment, via email or at the hearings, and provide draft maps. The County's consultant provided an online mapping tool that allowed residents to draft their own maps and provide those maps to the County.

The Board of Supervisors held public hearings before and after drawing draft maps as required by Elections Code section 21507.1, as follows:

- September 18, 2021 at 1:00 pm, Public Workshop at the Veterans Hall, Quincy, CA

pursuant to Elections Code section 21507.1 (a)(1), (b), (c), and (e)

- October 5, 2021 at 6:00 pm, Public Hearing was held at Plumas County Board of Supervisors Chambers, Quincy, CA, pursuant to Elections Code section 21507.1 (a)(1), (b) and (c)
- November 2, 2021 at 1:00 pm, Public Hearing was held at Plumas County Board of Supervisors Chambers, Quincy, CA pursuant to Elections Code section 21507.1 (a)(2), (c), and (d)
- November 23, 2021, at 1:00 pm, Public Hearing was held at Plumas County Board of Supervisors Chambers, Quincy, CA pursuant to Elections Code section 21507.1 (a)(2) and (c)

At the November 23, 2021 Hearing, the Board of Supervisors reviewed the maps created by staff, and directed staff to revise maps based on verbal instruction. Three different maps were created and published on the Plumas County Redistricting page on November 30, 2021. The maps are substantially similar, with the differences focused on the division of Quincy and East Quincy between supervisorial Districts 2, 4, and 5.

As this ordinance by statute can only be passed after notice and public hearing, it is exempt from California Government Code section 25131.

All three maps utilize the criteria from Elections Code section 21500 (a)(1) –(2) “Population equality shall be based on the total population of residents of the county as determined by the most recent federal decennial census. . . .” not including “incarcerated persons”, (b) “district boundaries that comply with the United States Constitution, the California Constitution, and the federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10301 et seq.).” and (c) in the following order of priority:

- (1) To the extent practicable, supervisorial districts shall be geographically contiguous. Areas that meet only at the points of adjoining corners are not contiguous. Areas that are separated by water and not connected by a bridge, tunnel, or regular ferry service are not contiguous.
- (2) To the extent practicable, the geographic integrity of any local neighborhood or local community of interest shall be respected in a manner that minimizes its division. A “community of interest” is a population that shares common social or economic interests that should be included within a single supervisorial district for purposes of its effective and fair representation. Communities of interest do not include relationships with political parties, incumbents, or political candidates.
- (3) To the extent practicable, the geographic integrity of a city or census designated place shall be respected in a manner that minimizes its division.
- (4) Supervisorial district boundaries should be easily identifiable and understandable by residents. To the extent practicable, supervisorial districts shall be bounded by natural and artificial barriers, by streets, or by the boundaries of the county.
- (5) To the extent practicable, and where it does not conflict with the preceding criteria in this subdivision, supervisorial districts shall be drawn to encourage geographical compactness in a manner that nearby areas of population are not bypassed in favor of more distant populations.

At this time, Staff recommends that the Plumas County Board of Supervisors review the three maps that have been published and adopt an ordinance revising the supervisorial district boundaries with one of the three published maps.

\*One trustee area is split between multiple districts, but preserved in the minimum number of districts based on the trustee area's total population (i.e., split between two districts rather than three-plus).

## Contiguity Criterion

Are all the districts contiguous? Yes

## Compactness Measures per District

| District | Polsby-Popper | Schwartzberg | Reock | Convex Hull | Length-Width |
|----------|---------------|--------------|-------|-------------|--------------|
| 1        | 0.37          | 1.65         | 0.52  | 0.83        | 0.73         |
| 2        | 0.20          | 2.26         | 0.26  | 0.70        | 0.48         |
| 3        | 0.40          | 1.58         | 0.50  | 0.83        | 0.90         |

Polsby-Popper, Reock, Convex Hull, and Length-Width scores fall within the range of 0-1, with 0 being the least compact and 1 being the most compact. In comparison, a Schwartzberg score of 1 is the most compact and higher scores are increasingly less compact.

## Contiguity Criterion

Are all the districts contiguous? Yes

## Compactness Measures per District

| District | Polsby-Popper | Schwartzberg | Reock | Convex Hull | Length-Width |
|----------|---------------|--------------|-------|-------------|--------------|
| 1        | 0.40          | 1.59         | 0.62  | 0.86        | 0.97         |
| 2        | 0.19          | 2.27         | 0.31  | 0.71        | 0.54         |
| 3        | 0.36          | 1.66         | 0.48  | 0.81        | 0.90         |
| 4        | 0.31          | 1.79         | 0.39  | 0.81        | 0.63         |
| 5        | 0.23          | 2.09         | 0.37  | 0.68        | 0.74         |

Polsby-Popper, Reock, Convex Hull, and Length-Width scores fall within the range of 0-1, with 0 being the least compact and 1 being the most compact. In comparison, a Schwartzberg score of 1 is the most compact and higher scores are increasingly less compact.
