RE: Agenda Item – May 24, 2022 –
ProVote Printing Contract

Marcy

IT IS REQUESTED THAT THE BOARD:

- 1). Approve the contract between the County of Plumas and ProVote Solutions for certified ballot printing services, not to exceed \$100,000, beginning May 31, 2022 through December 31, 2023; and
- 2). Approve and appoint the County Election Official as agent to conduct all negotiations, execute and submit all documents including, and authorize the County Elections Official to sign the Agreement as County Representative with County Counsel approving as to form.

BACKGROUND AND DISCUSSION

There are only a few select printers that are certified by the California Secretary of State to print official ballots and election materials. ProVote Solutions is one of them and they have experience with ballot printing for smaller counties in California.

We have been with ProVote Solutions since 2019 for all of our ballot and election printing services. In that time, we have been happy with the products and service we have received.

Services Agreement

This Agreement is made by and between the COUNTY OF PLUMAS, a political subdivision of the State of California, by and through its Clerk-Recorder Registrar of Voters (hereinafter referred to as "County"), and Pro DocumentSolutions dba ProvotecSolutions, a California Corporation (hereinafter referred to as "Contractor").

The parties agree as follows:

1. Scope of Work. Contractor shall provide the County with services as set forth in Exhibit A, attached hereto.
2. Compensation. County shall pay Contractor for services provided to County pursuant to this Agreement in the manner set forth in Exhibit B, attached hereto. 4. Termination. Either party may terminate this agreement by giving thirty (30) days written notice to the other party.
5. Non-Appropriation of Funds. It is mutually agreed that if, for the current fiscal year and/or any subsequent fiscal years covered under this Agreement, insufficient funds are appropriated to make the payments called for by this Agreement, this Agreement shall be of no further force or effect. In this event, the County shall have no liability to pay any further funds whatsoever to Contractor or furnish any other consideration under this Agreement and Contractor shall not be obligated to perform any further services under this Agreement. If funding for any fiscal year is reduced or deleted for the purposes of this program, the County shall have the option to either cancel this Agreement with no further liability incurring to the County, or offer an amendment to Contractor to reflect the reduced amount available to the program. The parties acknowledge and agree that the limitations set forth above are required by Article XVI, section 18 of the California Constitution. Contractor acknowledges and agrees that said Article XVI, section 18 of the California Constitution supersedes any conflicting law, rule, regulation or statute.

Contractor shall guarantee all parts and labor for a period of one year following the expiration of the term of this Agreement unless otherwise specified in Exhibit A. Subject: Shales closing check?

Hi Bekki,

I received in the mail today a Chicago check #527033457 for Shales closing for \$90.00.

I have no idea what this is for? There was the 433a that recorded but there was a check from American Eagle Homes for that.

From: Rob Robinette, Interim Director 

Agenda: Consent Agenda Item for May 24, 2022

Subject: Request Approval for Database Software Agreement

Recommendation:

Request approval for the Board Chair to sign an updated contract with Accela to allow continued use of Envision software. The term for the new contract is 3-years to begin July 1, 2022, and end June 30, 2025 for the total sum of \$30,480.73.

The revised Accela agreement was approved as to form by Plumas County Counsel.

Background and Discussion:

For more than twenty years, Environmental Health has utilized the Envision database software for regulated inventory, compliance tracking, and fiscal management. If approved by the Board, the updated agreement would facilitate the continued use of the database in FY22-23 through the FY24-25.

Contract payments would occur in three (3) annual installments of \$9,861.44, \$10,157.29 and \$10,462.00, respectively for a total 3-year cost of \$30,480.73.

The proposed FY 22-23 Environmental Health budget, if approved as submitted, includes funds to continue the use of the Envision database software during the first year of the 3-year contract.

If you have any questions, please contact me at 283-6593, Thank you.

Customer's sole and exclusive remedy and Accela's entire liability for any breach of the foregoing warranty, Accela will use commercially reasonable efforts to: (a) repair the Software in question; (b) replace the Software in question with that of substantially similar functionality; or, after making all commercially reasonable attempts to do the foregoing (c) terminate the applicable Software license and refund the fees paid for such Software subject to Customer's ceasing all use of and, if requested by Accela, returning to Accela all copies of the Software. If Accela repairs or replaces the Software, the warranty will continue to run from the original delivery date and not from Customer's receipt of the repair or replacement. The remedies set forth in this Section 5.1 are Customer's sole remedies and Accela's sole liability under the limited warranty set forth in this Section 5. The foregoing does not apply and becomes null and void if Customer breaches any material provision of this Agreement, or if Customer, any Authorized User, or any other person provided access to the Software by Customer or any Authorized User, whether or not in violation of this Agreement: (i) installs or uses the Software on or in connection with any hardware or software not specified in the Documentation; (ii) modifies or damages the Software; or (iii) misuses the Software, including any use of the Software other than as specified in the Documentation or expressly authorized by Accela in writing.

5.2 Consulting Services Warranty. For ninety (90) days from the applicable delivery, Accela warrants that Consulting Services shall be performed in a professional and workmanlike manner. As Customer's sole and exclusive remedy and Accela's entire liability for any breach of the foregoing warranty, Accela will use commercially reasonable efforts to (a) re-perform the Consulting Services in a compliant manner; or, after making all commercially reasonable attempts to do the foregoing (b) refund the fees paid for the non-compliant Consulting Services.

5.3 Disclaimers. EXCEPT AS EXPRESSLY PROVIDED HEREIN, ACCELA MAKES NO WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, AND SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, SECURITY, FITNESS FOR A PARTICULAR PURPOSE OR NON- INFRINGEMENT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW.

5.4 Cannabis-Related Activities. If Customer purchases any Software for use with any cannabis related activities, the following additional disclaimers shall apply: Accela is considered a software service provider to its customers and not a cannabis-related business or agent thereof. In addition to the foregoing, Accela only retains Software fees of this Agreement from its Customer for general software services, a state or local government agency, and does not retain these fees from any type of External Users. It is the sole responsibility of the Customer to offer state law compliant services, which may be coordinated and facilitated through the use of the Software. Accela makes no representations, promises, or warranties with respect to the legality, suitability, or otherwise regarding any third party

provider, including partners, and have no responsibility or liability with respect to services provided to Customer by such third parties.

6. INDEMNIFICATION. Accela will defend (or at Accela's option, settle) any third party claim, suit or action brought against Customer to the extent that it is based upon a claim that the Software, as furnished by Accela hereunder, infringes or misappropriates the Intellectual Property Rights of any third party, and will pay any costs, damages and reasonable attorneys' fees attributable to such claim that are finally awarded against Customer, provided that Customer provides (a) Accela notice of such claim as soon practical and in no event later than would reasonably permit Accela to respond to such claim, (b) reasonable cooperation to Customer, at Accela's expense, in the defense and/or settlement of such claim and (c) the sole and exclusive control of the defense, litigation and settlement of such claim. In the event that Accela reasonably believes, in its sole discretion, that such claim may prevail or that the usage of the Accela Software and Services may be joined, Accela may seek to (a) modify the Accela Software and Services such that it will be non-infringing (provided such modification does not materially reduce the functionality or performance of Customer's installed instance), (b) replace the applicable Software and Support Services so that it is non-fringing that provides substantially similar functionality and performance, or, if the first two options are not commercially practicable, (c) terminate the remainder of the License Period for the Software, and refund any pre-paid, unused fees. Accela will have no liability under this Section 6 to the extent for any claims arising from: (i) any combination of the Accela Software and Services with products, services, methods of a third party; (ii) a modification of the Accela Software and Services that were either implemented by anyone other than Accela or implemented by Accela in accordance with Customer specifications (iii) any use of the Accela Software and Services in a manner that violates this Agreement or the instructions given to Customer by Accela; (iv) a version of the Accela Software and Services other than the current, fully patched version, provided such updated version would have avoided the infringement; or (v) Customer's breach of this Agreement. THIS SECTION 6 STATES THE ENTIRE OBLIGATION OF ACCELA AND ITS LICENSORS WITH RESPECT TO ANY ALLEGED OR ACTUAL INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL PROPERTY RIGHTS RELATED TO THIS AGREEMENT.

7. LIMITATION OF LIABILITY. EXCEPT AS PROHIBITED BY LAW, ANY LIABILITY ARISING OUT OF EITHER PARTY'S LIABILITY FOR DEATH OR PERSONAL INJURY OR CUSTOMER'S BREACH OF SECTION 2, NEITHER PARTY'S AGGREGATE LIABILITY FOR DAMAGES ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR FROM THE USE OF OR INABILITY TO USE THE SERVICE, WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, SHALL EXCEED THE TOTAL AMOUNT PAID BY CUSTOMER HEREUNDER IN THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE INCIDENT. EXCEPT AS PROHIBITED BY LAW, ANY LIABILITY ARISING OUT OF CUSTOMER'S BREACH OF SECTION 2 OR EITHER PARTY'S LIABILITY FOR DEATH OR PERSONAL INJURY, IN NO EVENT SHALL EITHER PARTY OR ANY OTHER PERSON OR ENTITY INVOLVED IN CREATING, PRODUCING, OR DELIVERING THE SERVICE BE LIABLE FOR ANY INCIDENTAL, SPECIAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS, LOSS OF DATA OR LOSS OF GOODWILL, SERVICE INTERRUPTION, COMPUTER DAMAGE OR SYSTEM FAILURE OR THE COST OF SUBSTITUTE PRODUCTS OR SERVICES, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR FROM THE USE OF OR INABILITY TO USE THE SOFTWARE OR SERVICES, WHETHER BASED ON WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR ANY OTHER LEGAL THEORY. THE FOREGOING EXCLUSIONS APPLY WHETHER OR NOT A PARTY HAS BEEN INFORMED

OF THE POSSIBILITY OF SUCH DAMAGE, AND EVEN IF A LIMITED REMEDY SET FORTH HEREIN IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE.

8. THIRD PARTY SERVICES.

8.1 Third Party Services. Customer may choose to obtain a product or service from a third party that is not directly provided by Accela as a component of the Software ("Third Party Services") and this may include third party products resold by Accela. Accela assumes no responsibility for, and specifically disclaims any liability, warranty or obligation with respect to, any Third Party Service or the performance of the Software (including Accela's service level commitment) when the Software is used in combination with or integrated with Third Party Services.

8.2 Embedded Third Party Software. Third Party Software may be embedded in the Accela proprietary Software that is branded as Accela and sublicensed directly to Customer under this Agreement. Other Third Party Software is provided to Customer subject to a Third Party Software license, which is available from Accela at Customer's request. Customer will have no recourse against Accela with respect to the Third Party Software unless Accela is the stated licensor and then only to the extent expressly provided for in this Agreement. Customer is solely responsible to do whatever is necessary or required by the third party licensor for the licenses and related terms to take effect (e.g. online registration).

9. TERM AND TERMINATION.

9.1 Agreement Term. The term of this Agreement begins on the Effective Date and will remain in effect until all License Periods expire or until this Agreement is otherwise terminated in accordance with the terms hereof, whichever occurs first (the "Term"). This Agreement may be renewed at any time by execution of an Order Form referencing this Agreement, and any such renewal will be deemed part of the "Term" hereunder.

9.2 Termination or Suspension for Cause. A party may terminate this Agreement for cause upon thirty (30) days' written notice to the other party of a material breach if such breach remains uncured at the expiration of such thirty (30) day period. Either party may terminate immediately if the other party files for bankruptcy or becomes insolvent. Should Customer terminate this Agreement for cause, Accela will refund a pro-rata portion of unused, pre-paid fees.

9.3 Effect of Termination. Upon expiration or termination of this Agreement for any reason, (i) all rights granted to Customer under this Agreement shall terminate, (ii) Customer will immediately stop use of the Software and destroy all copies of the Software within Customer's possession and control; and (iii) each receiving party will return or destroy, at the disclosing party's option, the disclosing party's Confidential Information in the receiving party's possession or control.

9.4 Surviving Provisions. Sections 1 (Definitions), 2.5 (Ownership and Proprietary Rights), 4 (Confidentiality), 5.3 (Disclaimer), 7 (Limitation of Liability), 9.3 (Effect of Termination), 9.4 (Surviving Provisions), and 10 (General Provisions) will survive any termination or expiration of this Agreement.

10. GENERAL.

10.1 Notice. Except as otherwise specified in this Agreement, all notices, permissions and approvals hereunder will be in writing and will be deemed to have been given upon: (i) personal delivery, (ii) three (3) days after sending registered, return receipt requested, post or (iii) one day after sending by

commercial overnight carrier. Notices will be sent to the address specified by the recipient in writing when entering into this Agreement.

10.2 Governing Law and Jurisdiction. This Agreement and any action related thereto will be governed by the laws of the State of California without regard to its conflict of laws provisions. The exclusive jurisdiction and venue of any action related to the subject matter of this Agreement will be the state and federal courts located in the Northern District of California and each of the parties hereto waives any objection to jurisdiction and venue in such courts.

10.3 Compliance with Laws. Each party will comply with all applicable laws and regulations with respect to its activities under this Agreement including, but not limited to, export laws and regulations of the United States and other applicable jurisdictions. Further, in connection with the services performed under this Agreement and Customer's use of the Software, the parties agree to comply with all applicable anti-corruption and anti-bribery laws, statutes, and regulations.

10.4 Assignment. Customer may not assign or transfer this Agreement, whether by operation of law or otherwise, without the prior written consent of Accela, which shall not be unreasonably withheld. Any attempted assignment or transfer, without such consent, will be null and void. Subject to the foregoing, this Agreement will bind and inure to the benefit of the parties, their respective successors and permitted assigns.

10.5 Publicity. Notwithstanding anything to the contrary, each party will have the right to publicly announce the existence of the business relationship between parties without disclosing the specific terms of the Agreement.

10.6 Miscellaneous. No failure or delay by either party in exercising any right under this Agreement will constitute a waiver of that right. Other than as expressly stated herein, the remedies provided herein are in addition to, and not exclusive of, any other remedies of a party at law or in equity. If any provision of this Agreement is held by a court of competent jurisdiction to be contrary to law, the provision will be modified by the court and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this Agreement will remain in effect. Accela will not be liable for any delay or failure to perform under this Agreement to the extent such delay or failure results from circumstances or causes beyond the reasonable control of Accela. This Agreement does not create a partnership, franchise, joint venture, agency, fiduciary or similar relationship between the parties. This Agreement, including any attachments hereto as mutually agreed upon by the parties, constitute the entire agreement between the parties concerning its subject matter and it supersedes all prior communications, agreements, proposals or representations, written or oral, concerning its subject matter. No modification, amendment, or waiver of any provision of this Agreement will be effective unless in writing and signed by a duly authorized representative of each party against whom the modification, amendment or waiver is to be asserted. Notwithstanding any language to the contrary, no additional or conflicting terms or conditions stated in any of Customer's purchase order documentation or otherwise will be incorporated into or form any part of this Agreement, and all such terms or conditions shall be null and void.

Agenda: Agenda Item for May 24, 2022

Item Description/Recommendation:

Approve a Resolution authorizing annual submittal of the solid waste Local Enforcement Agency (LEA) Grant for FY 2022-2023 and authorize the Director of Environmental Health to sign various assurances as the Board's designee.

Background Information:

As the Board is aware, Environmental Health is the designated Local Enforcement Agency (LEA) for the county's solid waste program, providing solid waste facilities permit and inspection services. To help off-set costs for this state-mandated local enforcement program, the California Department of Resources, Recycling and Recovery (CalRecycle) provides grant funds to local jurisdictions. It is time to submit the Plumas County application for FY 2022-23 funding. It is anticipated that approximately \$17,000 will be available to Plumas County next fiscal year.

At this time, the Board is asked to approve a Resolution authorizing submittal of an application to CalRecycle for the Local Enforcement Agency Grant for FY 2022-2023 and authorize the Environmental Health Director to sign various assurances as the Board's designee. A copy of the Resolution, approved form by County Counsel, is attached. If you have any questions, please contact me at 283-6355.

Thank you.

FROM: JD Moore – Facility Services Director
SUBJECT: Approve and authorize the Director of Facility Services & Airports to waive the rental fee at the Chester Memorial Hall, for Chester Elementary School's 6th grade graduation celebration.

Recommendation

Approve and authorize the Director of Facility Services & Airports to waive the rental fee at the Chester Memorial Hall, for Chester Elementary School's 6th grade graduation celebration.

Background and Discussion

Tanya Miller, on behalf of the parents of the Chester Elementary School 6th grade class, has respectfully requested to waive the rental fee for use of the Chester Memorial Hall on June 9, 2022. Plumas Unified School District no longer pays for, or provides a 6th grade graduation celebration following the ceremony. The parents of the 6th grade class would like to host a well-deserved graduation celebration for their children.

After reviewing the request, Facility Services has no issue with deviating from the fee schedule.

May 9, 2022

To whom it may concern,

On behalf of the parents of the Chester Elementary School 6th grade class we are asking if you would be willing to donate the Memorial Hall building for our 6th grade graduation party on June 9th.

Unfortunately, this is not a school event as the Plumas Unified School District no longer pays or provides a 6th grade graduation party after the graduation ceremonies. The parents of the class are putting together a well-deserved graduation party and we are hoping that you would be willing to donate the building to us on Thursday, June 9, 2022.

Please let us know if this is possible, we would be so ever grateful if you could.

Sincerely,

Tanya Miller
6th grade parent

**CONSENT****AGENDA REQUEST**

For the May 24, 2022 meeting of the Plumas County Board of Supervisors

May 16, 2022

To: Honorable Board of Supervisors

From: Dana Loomis, Director of Public Health

Subject: Approve and direct the Chair to sign a Professional Agreement Number MAA2223HALL with Les Hall in the amount of \$75000.00 to provide various services to Public Health related to the Medi-Cal Administrative Activities (MAA) Program, approved as to form by County Counsel.

Background:

Plumas County Public Health Agency participates in the Medi-Cal Administrative Activities (MAA) Program. This program allows counties, through a system of time studies and cost reports to enhance existing time and activities performed by specific staff relating to administration of Medi-Cal related services. Staff time and activities are enhanced with Federal funds using a formula based on staff classification, organizational structure, and duty statements.

The MAA Program is very complex, especially the invoicing which is very detailed and takes a considerable amount of time to prepare. Time is of the essence to ensure all revenues are captured.

Fiscal Impact:

There is no fiscal impact to the General Fund as these contracts are fully funded through various programs in Public Health.

Recommendation:

The Director of Public Health respectfully recommends that the Board of Supervisors approve and direct the Chair to sign a contract with Les Hall in the amount of \$75,000.00.

SUBCONTRACT

This Agreement is made by and between the COUNTY OF PLUMAS, a political subdivision of the State of California, by and through its PUBLIC HEALTH AGENCY (hereinafter referred to as "County"), and LES HALL., a Sole Proprietor, hereinafter referred to as "Subcontractor".

The parties agree as follows:

1. Scope of Work. Subcontractor shall provide the County with services as set forth in Exhibit A, attached hereto.
2. Compensation. County shall pay Subcontractor for services provided to County pursuant to this Agreement in the manner set forth in Exhibit B, attached hereto. The total amount paid by County to Subcontractor under this Agreement shall not exceed Seventy-Five Thousand Dollars (\$75,000.00).
3. Term. The term of this subcontract shall be from July 1, 2022 through June 30, 2023 unless terminated earlier as provided herein.
4. Termination. Either party may terminate this agreement by giving thirty (30) days written notice to the other party.
5. Non-Appropriation of Funds. It is mutually agreed that if, for the current fiscal year and/or any subsequent fiscal years covered under this Agreement, insufficient funds are appropriated to make the payments called for by this Agreement, this Agreement shall be of no further force or effect. In this event, the County shall have no liability to pay any further funds whatsoever to Subcontractor or furnish any other consideration under this Agreement and Subcontractor shall not be obligated to perform any further services under this Agreement. If funding for any fiscal year is reduced or deleted for the purposes of this program, the County shall have the option to either cancel this Agreement with no further liability incurring to the County, or offer an amendment to Subcontractor to reflect the reduced amount available to the program. The parties acknowledge and agree that the limitations set forth above are required by Article XVI, section 18 of the California Constitution. Subcontractor acknowledges and agrees that said Article XVI, section 18 of the California Constitution supersedes any conflicting law, rule, regulation or statute.
6. Warranty and Legal Compliance. The services provided under this Agreement are non-exclusive and shall be completed promptly and competently. Subcontractor shall guarantee all parts and labor for a period of one year following the expiration of the term of this Agreement unless otherwise specified in Exhibit A. Subcontractor agrees to comply with all applicable terms of state and federal laws and regulations, all applicable grant funding conditions, and all applicable terms of the Plumas County Code and the Plumas County Purchasing and Practice Policies.
7. Amendment. This Agreement may be amended at any time by mutual agreement of the parties, expressed in writing and duly executed by both parties. No alteration of the terms

of this Agreement shall be valid or binding upon either party unless made in writing and duly executed by both parties.

8. **Indemnification.** To the furthest extent permitted by law (including without limitation California Civil Code Sections 2782 and 2782.8, if applicable), County shall not be liable for, and Subcontractor shall defend and indemnify County and its officers, agents, employees, and volunteers (collectively "County Parties"), against any and all claims, deductibles, self-insured retentions, demands, liability, judgments, awards, fines, mechanics' liens or other liens, labor disputes, losses, damages, expenses, charges or costs of any kind or character, including attorney's fees and court costs (hereinafter collectively referred to as "Claims"), which arise out of or are in any way connected to the work covered by this Agreement arising either directly or indirectly from any act, error, omission or negligence of Subcontractor or its officers, employees, agents, Subcontractors, licensees or servants, including, without limitation, Claims caused by the concurrent negligent act, error or omission, whether active or passive of County Parties. Subcontractor shall have no obligation, however, to defend or indemnify County Parties from a Claim if it is determined by a court of competent jurisdiction that such Claim was caused by the sole negligence or willful misconduct of County Parties. The obligations of this indemnity shall be for the full amount of all damage to County, including defense costs, and shall not be limited by any insurance limits.
9. **Insurance.** Subcontractor agrees to maintain the following insurance coverage throughout the term of this Agreement:
 - a. Commercial general liability (and professional liability, if applicable to the services provided) coverage, with minimum per occurrence limit of the greater of (i) the limit available on the policy, or (ii) one million dollars (\$1,000,000).
 - b. Automobile liability coverage (including non-owned automobiles), with minimum bodily injury limit of the greater of (i) the limit available on the policy, or (ii) two-hundred fifty thousand dollars (\$250,000) per person and five hundred thousand dollars (\$500,000) per accident, as well as a minimum property damage limit of the greater of (i) the limit available on the policy, or (ii) fifty thousand dollars (\$50,000) per accident.
 - c. Each policy of commercial general liability (and professional liability, if applicable to the services provided) coverage and automobile liability coverage (including non-owned automobiles) shall meet the following requirements:
 - i. Each policy shall be endorsed to name the County, its officers, officials, employees, representatives and agents (collectively, for the purpose of this section 9, the "County") as additional insureds. The Additional Insured endorsement shall be at least as broad as ISO Form Number CG 20 38 04 13; and

 - iv. Any insurance limitations are independent of and shall not limit the indemnification terms of this Agreement; and
 - v. Subcontractor's policy shall be primary insurance as respects the County, its officers, officials, employees, representatives and agents, and any insurance or self-insurance maintained by the County, its officers, officials, employees, representatives and agents shall be in excess of the Subcontractor's insurance and shall not contribute with it, and such policy shall contain any endorsements necessary to effectuate this provision. 10. Licenses and Permits. Subcontractor represents and warrants to County that it or its principals have all licenses, permits, qualifications, and approvals of whatsoever nature that are legally required for Subcontractor to practice its profession and to perform its duties and obligations under this Agreement. Subcontractor represents and warrants to County that Subcontractor shall, at its sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits, and approvals that are legally

Except as expressly provided in this Agreement, Subcontractor has no authority or responsibility to exercise any rights or power vested in County. It is understood by both Subcontractor and County that this Agreement shall not under any circumstances be construed or considered to create an employer-employee relationship or joint venture.

17. Severability. The invalidity of any provision of this Agreement, as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.
18. Headings. The headings and captions contained in this Agreement are for convenience only, and shall be of no force or effect in construing and interpreting the provisions of this Agreement.
19. Waiver of Rights. No delay or failure of either party in exercising any right, and no partial or single exercise of any right, shall be deemed to constitute a waiver of that right or any other right.
20. Conflict of Interest. The parties to this Agreement have read and are aware of the provisions of Government Code section 1090 *et seq.* and section 87100 *et seq.* relating to conflicts of interest of public officers and employees. Subcontractor represents that it is unaware of any financial or economic interest of any public officer or employee of County relating to this Agreement. It is further understood and agreed that if such a financial interest does exist at the inception of this Agreement and is later discovered by the County, the County may immediately terminate this Agreement by giving written notice to Subcontractor.

disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure. In the event that the request for an accounting is delivered directly to BA or its agents or subcontractors, BA shall within five (5) days of a request forward it to CE in writing. It shall be CE's responsibility to prepare and deliver any such accounting requested. BA shall not disclose any Protected Information except as set forth in Sections 2.b. of this Addendum [45 C.F.R. Sections 164.504(e)(2)(ii)(G) and 165.528].

j. Governmental Access to Records. BA shall make its internal practices, books and records relating to the use and disclosure of Protected Information available to CE and to the Secretary of the U.S. Department of Health and Human Services (the "Secretary") for purposes of determining BA's compliance with the Privacy Rule [45 C.F.R. k. Minimum Necessary. BA (and its agents or subcontractors) shall request, use and disclose only the minimum amount of Protected Information necessary to accomplish the purpose of the request, use, or disclosure [42 U.S.C. Section 17935(b); 45 C.F.R. Section 164.514(d)(3)]. BA understands and agrees that the definition of "minimum necessary" is in flux and shall keep itself informed of guidance issued by the Secretary with respect to what constitutes "minimum necessary."

l. Data Ownership. BA acknowledges that BA has no ownership rights with respect to the Protected Information.

m. Notification of Breach. During the term of the Contract, BA shall notify CE within twenty-four (24) hours of any suspected or actual breach of security, intrusion or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take (i) prompt corrective action to cure any such deficiencies and (ii) any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.

n. Breach Pattern or Practice by Covered Entity. Pursuant to 42 U.S.C. Section 17934(b), if the BA knows of a pattern of activity or practice of the CE that constitutes a material breach or violation of the CE's obligations under the Contract or Agreement or other arrangement, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the Contract or other arrangement if feasible, or if termination is not feasible, report the problem to the Secretary of DHHS. BA shall provide written notice to CE of any pattern of activity or practice of the CE that BA believes constitutes a material breach or violation of the CE's obligations under the Contract or this Agreement or other arrangement within five (5) days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

o. Audits, Inspection and Enforcement. Within ten (10) days of a written request by CE, BA and its agents or subcontractors shall allow CE to conduct a reasonable inspection of the facilities, systems, books, records, agreements, policies and procedures relating to the use or disclosure of Protected Information pursuant to this Agreement for the purpose of determining whether BA has complied with this Agreement; provided, however, that (i) BA and CE shall mutually agree in advance upon the scope, timing and location of such an inspection, (ii) CE shall protect the confidentiality of all confidential and proprietary information of BA to which CE has access during the course of such inspection; and (iii) CE shall execute a nondisclosure agreement, upon terms mutually agreed upon by the parties, if requested by BA. The fact that CE inspects, or fails to inspect, or has the right to inspect, BA's facilities, systems, books, records, agreements, policies and procedures does not relieve BA of its responsibility to comply with this Agreement, nor does CE's (i) failure to detect or (ii) detection, but failure to notify BA or require BA's remediation of any unsatisfactory practices, constitute acceptance of

SUBCONTRACTOR INITIALS 

such practice or a waiver of CE's enforcement rights under the Contract or Agreement, BA shall notify CE within ten (10) days of learning that BA has become the subject of an audit, compliance review, or complaint investigation by the Office for Civil Rights.

3. Termination

Section 164.504(e)(2)(iii)].

b. **Judicial or Administrative Proceedings.** CE may terminate the Agreement, effective immediately, if (i) BA is named as a defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.

c. **Effect of Termination.** Upon termination of the Agreement for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections of Section 2 of this Agreement to such information, and limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible. [45 C.F.R. Section 164.504(e)(ii)(2)(I)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed.

4. Disclaimer

CE makes no warranty or representation that compliance by BA with this Agreement, HIPAA, the HITECH Act, or the HIPAA Regulations will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

5. Certification

The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the Privacy Rule, the Security Rule and other applicable laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this Agreement embodying written assurances consistent with the standards and requirements of HIPAA, the HITECH Act, the Privacy Rule, the Security Rule or other applicable laws. 8. No Third-Party Beneficiaries

Nothing express or implied in the Agreement is intended to confer, nor shall anything herein confer, upon any person other than CE, BA and their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever.

2. Obligations of Business Associate

a. **Permitted Uses.** BA shall not use Protected Information except for the purpose of performing BA's obligations under the Contract and as permitted under this Agreement. Further, BA shall not use Protected Information in any manner that would constitute a violation of the Privacy Rule or the HITECH Act if so used by CE. However, BA may use Protected Information (i) for the proper management and administration of BA, (ii) to carry out the legal responsibilities of BA, or (iii) for Data Aggregation purposes for the Health Care Operations of CE [45 C.F.R. Sections 164.504(e)(2)(ii)(A) and 164.504(e)(4)(i)].

b. **Permitted Disclosures.** BA shall not disclose Protected Information except for the purpose of performing BA's obligations under the Contract and as permitted under this Agreement. BA shall not disclose Protected Information in any manner that would constitute a violation of the Privacy Rule or the HITECH Act if so disclosed by CE. However, BA may disclose Protected Information (i) for the proper management and administration of BA; (ii) to carry out the legal responsibilities of BA; (iii) as required by law; or (iv) for Data Aggregation purposes for the Health Care Operations of CE. If BA discloses Protected Information to a third party, BA must obtain, prior to making any such disclosure, (i) reasonable written assurances from such third party that such Protected Information will be held confidential as provided pursuant to this Addendum and only disclosed as required by law or for the purposes for which it was disclosed to such third party, and (ii) a written agreement from such third party to immediately notify BA of any breaches of confidentiality of the Protected Information, to the extent it has obtained knowledge of such breach [42 U.S.C. Section 17935(a)]. BA shall not directly or indirectly receive remuneration in exchange for Protected

Information, except with the prior written consent of CE and as permitted by the HITECH Act, 42 U.S.C. section 17935(d)(2); however, this prohibition shall not affect payment by CE to BA for services provided pursuant to the Contract.

d. Appropriate Safeguards. BA Shall implement appropriate safeguards as are necessary to prevent the use or disclosure of Protected Information otherwise than as permitted by the Contract and this Agreement that reasonably and appropriately protect the confidentiality, integrity and availability of the Protected Information, in accordance with 45 C.F.R. Sections 164.308, 164.310, and 164.312. [45 C.F.R. Section 164.504(e)(2)(ii)(B); 45 C.F.R. Section 164.308(b)]. Section 17921; 45 C.F.R. Section 164.504(e)(2)(ii)(C); 45 C.F.R. Section 164.308(b)].

f. Business Associate's Agents. BA shall ensure that any agents, including Consultants, to whom it provides Protected Information, agree in writing to the same restrictions and conditions that apply to BA with respect to such PHI and implement the safeguards required by paragraph c above with respect to Electronic PHI [45 C.F.R. Section 164.504(e)(2)(ii)(D); 45 C.F.R. Section 164.308(b)]. Sections 164.530(f) and 164.530(e)(1)).

g. Access to Protected Information. BA shall make Protected Information maintained by BA or its agents or Consultants in Designated Record Sets available to CE for inspection and copying within ten (10) days of a request by CE to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.524 [45 C.F.R. Section 164.504(e)(2)(ii)(E)]. Section 17935(e).

h. Amendment of PHI. Within ten (10) days of receipt of a request from CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, BA or its agents or Consultants shall make such Protected Information available to CE for amendment and incorporate any such amendment to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.526. If any individual requests an amendment of Protected Information directly from BA or its agents or Consultants, BA must notify CE in writing within five (5) days of the request. Any approval or denial of amendment of Protected Information maintained by BA or its agents or Consultants shall be the responsibility of CE [45 C.F.R. Section 164.504(e)(2)(ii)(F)].

i. Accounting Rights. Promptly upon any disclosure of Protected Information for which CE is required to account to an individual, BA and its agents or Consultants shall make available to CE the information required to provide an accounting of disclosures to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.528, and the HITECH Act, including but not limited to 42 U.S.C. Section 17935(c), as determined by CE. BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or Consultants for at least six (6) years prior to the request. At a minimum, the information collected and maintained shall include: (i) the date of disclosure; (ii) the name of the entity or person who received

Protected Information and, if known, the address of the entity or person; (iii) a brief description of Protected Information disclosed and (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure. In the event that the request for an accounting is delivered directly to BA or its agents or Consultants, BA shall within five (5) days of a request forward it to CE in writing. It shall be CE's responsibility to prepare and deliver any such accounting requested. BA shall not disclose any Protected Information except as set forth in Sections 2.b. of this Addendum [45 C.F.R. Sections 164.504(e)(2)(ii)(G) and 165.528].

j. **Governmental Access to Records.** BA shall make its internal practices, books and records relating to the use and disclosure of Protected Information available to CE and to the Secretary of the U.S. Department of Health and Human Services (the "Secretary") for purposes of determining BA's compliance with the Privacy Rule [45 C.F.R. Section 164.504(e)(2)(ii)(H)]. BA shall provide to CE a copy of any Protected Information that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.

k. **Minimum Necessary.** BA (and its agents or Consultants) shall request, use and disclose only the minimum amount of Protected Information necessary to accomplish the purpose of the request, use, or disclosure [42 U.S.C. Section 17935(b); 45 C.F.R. Section 164.514(d)(3)]. BA understands and agrees that the definition of "minimum necessary" is in flux and shall keep itself informed of guidance issued by the Secretary with respect to what constitutes "minimum necessary."

l. **Data Ownership.** BA acknowledges that BA has no ownership rights with respect to the Protected Information.

m. **Notification of Breach.** During the term of the Contract, BA shall notify CE within twenty-four (24) hours of any suspected or actual breach of security, intrusion or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take (i) prompt corrective action to cure any such deficiencies and (ii) any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.

n. **Breach Pattern or Practice by Covered Entity.** Pursuant to 42 U.S.C. Section 17934(b), if the BA knows of a pattern of activity or practice of the CE that constitutes a material breach or violation of the CE's obligations under the Contract or Agreement or other arrangement, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the Contract or other arrangement if feasible, or if termination is not feasible, report the problem to the Secretary of DHHS. BA shall provide written notice to CE of any pattern of activity or practice of the CE that BA believes constitutes a material breach or violation of the CE's obligations under the Contract or this Agreement or other arrangement within five (5) days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

o. **Audits, Inspection and Enforcement.** Within ten (10) days of a written request by CE, BA and its agents or Consultants shall allow CE to conduct a reasonable inspection of the facilities, systems, books, records, agreements, policies and procedures relating to the use or disclosure of Protected Information pursuant to this Agreement for the purpose of determining whether BA has complied with this Agreement; provided, however, that (i) BA and CE shall mutually agree in advance upon the scope, timing and location of such an inspection, (ii) CE shall protect the confidentiality of all confidential and proprietary information of BA to which CE has access during the course of such inspection; and (iii) CE shall execute a nondisclosure agreement, upon terms mutually agreed upon by the parties, if requested

by BA. The fact that CE inspects, or fails to inspect, or has the right to inspect, BA's facilities, systems, books, records, agreements, policies and procedures does not relieve BA of its responsibility to comply with this Agreement, nor does CE's (i) failure to detect or (ii) detection, but failure to notify BA or require BA's remediation of any unsatisfactory practices, constitute acceptance of such practice or a waiver of CE's enforcement rights under the Contract or Agreement, BA shall notify CE within ten (10) days of learning that BA has become the subject of an audit, compliance review, or complaint investigation by the Office for Civil Rights

3. **Termination**

a. **Material Breach.** A breach by BA of any provision of this Agreement, as determined by CE, shall constitute a material breach of the Contract and shall provide grounds for immediate termination of the Contract, or any provision in the Contract to the contrary notwithstanding [45 C.F.R. Section 164.504(e)(2)(iii)].

b. **Judicial or Administrative Proceedings.** CE may terminate the Agreement, effective immediately, if (i) BA is named as a defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.

c. **Effect of Termination.** Upon termination of the Agreement for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA or its agents or Consultants still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections of Section 2 of this Agreement to such information, and limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible. [45 C.F.R. Section 164.504(e)(ii)(2)(I)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed.

4. **Disclaimer**

CE makes no warranty or representation that compliance by BA with this Agreement, HIPAA, the HITECH Act, or the HIPAA Regulations will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

5. **Certification**

To the extent that CE determines that such examination is necessary to comply with CE's legal obligations pursuant to HIPAA relating to certification of its security practices, CE or its authorized agents or Consultants, may, at CE's expense, examine BA's facilities, systems, procedures and records as may be necessary for such agents or Consultants to certify to CE the extent to which BA's security safeguards comply with HIPAA, the HITECH Act, the HIPAA Regulations or this Addendum.

6. **Amendment**

The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Agreement may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the Privacy Rule, the Security Rule and other applicable laws relating to the security or confidentiality of PHI. The parties understand

and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this Agreement embodying written assurances consistent with the standards and requirements of HIPAA, the HITECH Act, the Privacy Rule, the Security Rule or other applicable laws. CE may terminate the Contract upon thirty (30) days written notice in the event (i) BA does not promptly enter into negotiations to amend the Agreement when requested by CE pursuant to this Section or (ii) BA does not enter not enter into an amendment to the Agreement providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

7. Assistance in Litigation of Administrative Proceedings

BA shall make itself, and any Consultants, employees or agents assisting BA in the performance of its obligations under the Agreement, available to CE, at no cost to CE, to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against CE, its directors, officers or employees based upon a claimed violation of HIPAA, the HITECH Act, the Privacy Rule, the Security Rule, or other laws relating to security and privacy, except where BA or its Consultant, employee or agent is named adverse party.

8. No Third-Party Beneficiaries

Nothing express or implied in the Agreement is intended to confer, nor shall anything herein confer, upon any person other than CE, BA and their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever.

9. Interpretation

The provisions of this Agreement shall prevail over any provisions in the Contract that may conflict or appear inconsistent with any provision in this Agreement. This Agreement and the Contract shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, the Privacy Rule and the Security Rule. The parties agree that any ambiguity in this Agreement shall be resolved in favor of a meaning that complies and is consistent with HIPAA, the HITECH Act, the Privacy Rule and the Security Rule.

IN WITNESS WHEREOF, the parties hereto have duly executed this Addendum as of the Addendum Effective Date.

SUBCONTRACTOR

This Agreement is made by and between the COUNTY OF PLUMAS, a political subdivision of the State of California, by and through its PUBLIC HEALTH AGENCY (hereinafter referred to as "County"), and GREAT NORTHERN SERVICES, a California Nonprofit Corporation, hereinafter referred to as "SUBCONTRACTOR".

The parties agree as follows:

1. Scope of Work. Subcontractor shall provide the County with services as set forth in Exhibit A, attached hereto.
2. Compensation. County shall pay Subcontractor for services provided to County pursuant to this Agreement in the manner set forth in Exhibits B and B-1, attached hereto. The total amount paid by County to Subcontractor under this Agreement shall not exceed Sixty-One Thousand One Hundred Nineteen Dollars (\$61,119.00).
3. Term. The term of this agreement shall be from April 1, 2022 through March 31, 2023 unless terminated earlier as provided herein. County's Board of Supervisors hereby ratifies, and approves for payment, services provided by Contractor from April 1, 2022 to the date of approval of this Agreement by the Board of Supervisors.
4. Termination. Either party may terminate this agreement by giving thirty (30) days written notice to the other party.
5. Non-Appropriation of Funds. It is mutually agreed that if, for the current fiscal year and/or any subsequent fiscal years covered under this Agreement, insufficient funds are appropriated to make the payments called for by this Agreement, this Agreement shall be of no further force or effect. In this event, the County shall have no liability to pay any further funds whatsoever to Subcontractor or furnish any other consideration under this Agreement and Subcontractor shall not be obligated to perform any further services under this Agreement. If funding for any fiscal year is reduced or deleted for the purposes of this program, the County shall have the option to either cancel this Agreement with no further liability incurring to the County, or offer an amendment to Subcontractor to reflect the reduced amount available to the program. The parties acknowledge and agree that the limitations set forth above are required by Article XVI, section 18 of the California Constitution. 6. Warranty and Legal Compliance. The services provided under this Agreement are non-exclusive and shall be completed promptly and competently. Subcontractor shall guarantee all parts and labor for a period of one year following the expiration of the term of this Agreement unless otherwise specified in Exhibit A. 8. **Indemnification.** To the furthest extent permitted by law (including without limitation California Civil Code Sections 2782 and 2782.8, if applicable), County shall not be liable for, and Subcontractor shall defend and indemnify County and its officers, agents, employees, and volunteers (collectively "County Parties"), against any and all claims, deductibles, self-insured retentions, demands, liability, judgments, awards, fines, mechanics' liens or other liens, labor disputes, losses, damages, expenses, charges or costs of any kind or character, including attorney's fees and court costs (hereinafter collectively referred to as "Claims"), which arise out of or are in any way connected to the work covered by this Agreement arising either directly or indirectly from any act, error, omission or negligence of Subcontractor or its officers, employees, agents, Subcontractors, licensees or servants, including, without limitation, Claims caused by the concurrent negligent act, error or omission, whether active or passive of County Parties. Subcontractor shall have no obligation, however, to defend or indemnify County Parties from a Claim if it is determined by a court of competent jurisdiction that such Claim was caused by the sole negligence or willful misconduct of County Parties. 9. **Insurance.** Subcontractor agrees to maintain the following insurance coverage throughout the term of this Agreement:

10. Licenses and Permits. Subcontractor represents and warrants to County that it or its principals have all licenses, permits, qualifications, and approvals of whatsoever nature that are legally required for Subcontractor to practice its profession and to perform its duties and obligations under this Agreement. Subcontractor represents and warrants to County that Subcontractor shall, at its sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits, and approvals that are legally required for Subcontractor or its principals to practice its professions and to perform its duties and obligations under this Agreement.

11. Relationship of Parties. It is understood that Subcontractor is not acting hereunder as an employee of the County, but solely as an independent Subcontractor. Subcontractor, by virtue of this Agreement, has no authority to bind, or incur any obligation on behalf of, County. EXHIBIT A – SCOPE OF WORK

HIV Partner Services Policy

Policy: HIV Partner Services will be offered to clients in accordance with Management Memorandum #15-06.

Purpose: HIV Partner Services is recognized by the Centers for Disease Control as a valuable intervention to support early identification of HIV and offers opportunities to identify individuals who have fallen out of medical care and link them to care. HIV Partner Services (PS) is a free, confidential service, supporting persons living with HIV in navigating disclosure around their HIV status to past, present or future partners. It includes confidential counseling and a comprehensive discussion with the HIV positive individual about the options for partner notification and provides assistance in notifying sexual and/or needle sharing partners of possible exposure to HIV.

Procedure: Any client who has high risk factors for transmitting HIV should be offered Partner Services. This includes clients who: 1) have a new HIV diagnosis, 2) have a detectable viral load, and 3) have a new STI diagnosis.

After identifying a high-risk individual, the service provider will:

1. Discuss with the client HIV transmission risk factors and counsel on risk reduction strategies.
2. Discuss the need for this individual to notify his or her sexual or needle-sharing partners about their possible exposure to HIV or another STD and offer partner services as a means of assisting the individual with such notifications.
3. If the client agrees to participate in partner services, interview him or her about partners he or she had within a defined period of time. Try to assemble enough information about each partner to ensure that they can be located and notified of their exposure.
4. Attempt to locate partners named in the interview and notify them of their exposure and need for testing. Notification can be done by the service provider or the client. If the client chooses to contact their partner(s), the service provider should be directly involved in the construction of options and the provision of tools and resources to maximize notification.
5. Counsel each partner about their exposure to infection and provide or refer them to testing, medical care, and other prevention or social services.
6. Follow-up with both the client and each partner to ensure they have accessed medical care.

The following principles should be followed when providing partner services:

- Client centered. All steps of the partner services process should be tailored to the behaviors, circumstances, and specific needs of each client.

EXHIBIT A – SCOPE OF WORK

- Confidential. Confidentiality should be maintained and is essential to the success of partner services. Confidentiality also applies to data collected as part of the partner services process. When notifying partners of exposure, the identity of the index patient must never be revealed, and no information about partners should be conveyed back to the index patient.
- Voluntary and non-coercive. Participating in partner services should be voluntary for both infected persons and their partners; they should not be coerced into participation.
- Free. Partner services should be free of charge for infected persons and their partners.
- Accessible and available to all. Partner services should be accessible and available to all infected persons regardless of where they are tested or receive a diagnosis and whether they are tested confidentially or anonymously. Because of the chronic nature of HIV infection, partner services for HIV should not be a one- time event. They should be offered as soon as HIV-infected persons learn their serostatus and should be available throughout their counseling and treatment. HIV-infected persons should have the ability to access partner services whenever needed.

SUBCONTRACT

This Agreement is made by and between the COUNTY OF PLUMAS, a political subdivision of the State of California, by and through its PUBLIC HEALTH AGENCY (hereinafter referred to as "County"), and REDDING CRITICAL CARE MEDICAL GROUP, INC., a California Corporation, hereinafter referred to as "Subcontractor".

The parties agree as follows:

1. **Scope of Work.** Subcontractor shall provide the County with services as set forth in Exhibit A, attached hereto.
2. **Compensation.** County shall pay Subcontractor for services provided to County pursuant to this Agreement in the manner set forth in Exhibits B and B-1, attached hereto. The total amount paid by County to Subcontractor under this Agreement shall not exceed Seven Thousand Two Hundred Dollars (\$7,200.00).
3. **Term.** The term of this agreement shall be from April 1, 2022 through March 31, 2023 unless terminated earlier as provided herein. County's Board of Supervisors hereby ratifies, and approves for payment, services provided by Contractor from April 1, 2022 to the dated of approval of this Agreement by the Board of Supervisors.
4. **Termination.** Either party may terminate this agreement by giving thirty (30) days written notice to the other party.
5. **Non-Appropriation of Funds.** It is mutually agreed that if, for the current fiscal year and/or any subsequent fiscal years covered under this Agreement, insufficient funds are appropriated to make the payments called for by this Agreement, this Agreement shall be of no further force or effect. In this event, the County shall have no liability to pay any further funds whatsoever to Subcontractor or furnish any other consideration under this Agreement and Subcontractor shall not be obligated to perform any further services under this Agreement. If funding for any fiscal year is reduced or deleted for the purposes of this program, the County shall have the option to either cancel this Agreement with no further liability incurring to the County, or offer an amendment to Subcontractor to reflect the reduced amount available to the program. The parties acknowledge and agree that the limitations set forth above are required by Article XVI, section 18 of the California Constitution. Subcontractor acknowledges and agrees that said Article XVI, section 18 of the California Constitution supersedes any conflicting law, rule, regulation or statute.
6. **Warranty and Legal Compliance.** The services provided under this Agreement are non-exclusive and shall be completed promptly and competently. Subcontractor shall guarantee all parts and labor for a period of one year following the expiration of the term of this Agreement unless otherwise specified in Exhibit A. Subcontractor agrees to comply with all applicable terms of state and federal laws and regulations, all applicable grant funding conditions, and all applicable terms of the Plumas County Code and the Plumas County Purchasing and Practice Policies.

8. **Indemnification.** To the furthest extent permitted by law (including without limitation California Civil Code Sections 2782 and 2782.8, if applicable), County shall not be liable for, and Subcontractor shall defend and indemnify County and its officers, agents, employees, and volunteers (collectively “County Parties”), against any and all claims, deductibles, self-insured retentions, demands, liability, judgments, awards, fines, mechanics’ liens or other liens, labor disputes, losses, damages, expenses, charges or costs of any kind or character, including attorney’s fees and court costs (hereinafter collectively referred to as “Claims”), which arise out of or are in any way connected to the work covered by this Agreement arising either directly or indirectly from any act, error, omission or negligence of Subcontractor or its officers, employees, agents, Subcontractors, licensees or servants, including, without limitation, Claims caused by the concurrent negligent act, error or omission, whether active or passive of County Parties. Subcontractor shall have no obligation, however, to defend or indemnify County Parties from a Claim if it is determined by a court of competent jurisdiction that such Claim was caused by the sole negligence or willful misconduct of County Parties. The obligations of this indemnity shall be for the full amount of all damage to County, including defense costs, and shall not be limited by any insurance limits.

9. **Insurance.** Subcontractor agrees to maintain the following insurance coverage throughout the term of this Agreement:

10. **Licenses and Permits.** Subcontractor represents and warrants to County that it or its principals have all licenses, permits, qualifications, and approvals of whatsoever nature that are legally required for Subcontractor to practice its profession and to perform its duties and obligations under this Agreement. Subcontractor represents and warrants to County that Subcontractor shall, at its sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits, and approvals that are legally required for Subcontractor or its principals to practice its professions and to perform its duties and obligations under this Agreement.
11. **Relationship of Parties.** It is understood that Subcontractor is not acting hereunder as an employee of the County, but solely as an independent Subcontractor. Subcontractor, by virtue of this Agreement, has no authority to bind, or incur any obligation on behalf of, County. SUBJECT: Approve donation of two pool cars, that are beyond a reasonable cost to repair, to Quincy Fire Protection District for vehicle extrication training.

Recommendation

Approve donation of two pool cars, that are beyond a reasonable cost to repair, to Quincy Fire Protection District for vehicle extrication training.

Background and Discussion

Facility Services currently has two pool cars that are no longer used, as they are unreliable. One of the vehicles is a 2002 Ford Explorer, with 224,260 miles, and is valued at \$941. The other vehicle is a 2004 Ford Explorer, with 216,184 miles, and is valued at \$1,553. Neither vehicle has been driven in the last two years, as Facility Services is not comfortable with allowing County employees to drive them due to electrical/mechanical problems. The cost to repair these two vehicles would be more than what they are worth.

Both vehicles were previously donated to Quincy Fire Department in 2018, by the Department of Social Services. The previous Director of Facility Services reacquired both vehicles from the Fire Department, when the County was discussing the option of leasing vehicles for use as pool cars (the more vehicles you traded in, the better the rate).

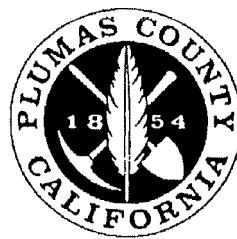

Quincy Fire Department will pick up, remove, and dispose of the vehicles at no cost to Plumas County.

SUBJECT: AGENDA ITEM FOR BOARD OF SUPERVISORS MEETING OF MAY 24, 2022

RE: INTRODUCE AND WAIVE FIRST READING OF ORDINANCE, FIRST INTRODUCED ON MAY 24 2022 OF THE COUNTY OF PLUMAS, STATE OF CALIFORNIA, AMENDING ARTICLE 2 OF CHAPTER 5 OF TITLE 2 OF PLUMAS COUNTY CODE, ELECTED OFFICIAL SALARY

IT IS RECOMMENDED THAT THE BOARD:

Approved the recommendations to update the new pay schedules for both the County Counsel and District Attorney's offices as outlined below and Resolution.

Introduce and waive the first reading of Ordinance amending Article 2 of Chapter 5 title 2 of Plumas County Code, Elected Official Salary.

BACKGROUND AND DISCUSSIONS

On May 17, 2022, Human Resources presented recommendations to the Board of Supervisors to increase the base wages for the District Attorney and the District Attorney's Deputy Attorney job class series. It is also recommended, to increase the wages for the base wages for County Counsel's Deputy job class series to maintain consistency with the County's attorney job classifications. These recommendations were based on a current wage survey conducted by Human Resources Department.

The District Attorney's positions pay schedule is outdated and should be updated using the recommendations based on the base wage survey results. The attached Ordinance and Resolution is to seek the Board of Supervisors approval to increase the District Attorney pay schedule to \$72.59 an hour. The District Attorney has requested to keep his position tied to the job classification of the County Counsel. This may be to abstract to do. Elected Officials do not receive benefits outside of the retirement, department head life insurance, and health insurance. The recent increase to the Elected Officials pay rates included annual increases tied to the All Urban Consumer Price Index April to April results. This will provide an ongoing annual wage adjustment for the Elected Officials. With the current base wage recommendation for the District Attorney, the position will be making more than the County Counsel base wage.

Below are the recommendations for Plumas County's pay schedule wage adjustments:

District Attorney's Department #70301:

Job Classification	Current Wage	Proposed Wage
District Attorney	\$53.27	\$72.59
Assistant DA	\$45.84	\$54.62
Deputy DA I	\$32.56	\$35.18
Deputy DA II	\$34.19	\$39.16
Deputy DA III	\$39.59	\$43.60

County Counsel's Department #20080:

Job Classification	Current Wage	Proposed Wage
Asst. County Counsel	\$43.70	\$55.44
Deputy County Counsel I	\$33.10	\$36.08
Deputy County Counsel II	\$34.78	\$40.22
Deputy County Counsel III	\$40.26	\$45.24

I appreciate the opportunity to bring this matter forward for the Board of Supervisors consideration and approval. Thank you for your consideration in this matter.

SUBJECT: AGENDA ITEM FOR BOARD OF SUPERVISORS MEETING OF MAY 24, 2022

RE: ADOPT RESOLUTION UPDATING BASE WAGES FOR PLUMAS COUNTY DEPARTMENT HEADS, EFFECTIVE AFTER THE FIRST FULL PAYPERIOD FOLLOWING BOARD OF SUPERVISOR ADOPTION

IT IS RECOMMENDED THAT THE BOARD:

Adopt the updated pay schedules for Plumas County department heads, effective the first full pay period after Board adoption, on June 5, 2022 pay period #26.

BACKGROUND AND DISCUSSIONS

The department heads job classifications have not been updated across the pay schedule in a very long time in Plumas County. Some updates to department head pay schedules were due to vacant positions and to recruitment replacements, the wage issue needed to be updated in order to be competitive. More recently with the shortage in labor market needs, many of our department heads are being recruited to other agencies. Some of our department heads have not seen an update to their base wages in our pay schedules for a very long time. In fact, HR pay schedules do not go back far enough to give us the record of when they were last updated. So it is not clear as to the timeline for the department heads last increases unlike the resolution for the elected officials last increase. It could have been well over ten years ago, for some much longer.

To address the need to bring our department heads up to a comparable pay schedule, Human Resources conducted a wage survey using our past practice ten (10) counties. This survey was used to adjust the base wages for our department head positions. It is important to keep up with the wages for our department heads as well as our employees. The employees' wages have been adjusted through recent MOUs and will continue to be reviewed as the County negotiates new MOUs. It is reasonable to point out that our departments should offer advancement opportunities within the departments. With decent paying positions for our department heads,

employees may see themselves promoting into these position as the opportunity arises. Pay schedules need to be competitive and relevant to today's employment market.

Based on survey results, Exhibit A, I am recommending the below department head new pay schedules. I have done the cost analysis for each department and I strongly urge the Board of Supervisors to approve these recommendations.

I appreciate the opportunity to bring this matter forward for the Board of Supervisors consideration and approval. Thank you for reviewing this matter and your dedication in serving Plumas County.

Board of Forestry and Fire Protection

SUPPLEMENTAL STATEMENT OF REASONS

**“State Minimum Fire Safe Regulations, 2021”
Title 14 of the California Code of Regulations (14 CCR),
Division 1.5, Chapter 7, Subchapter 2, Articles 1-5**

The Board of Forestry and Fire Protection (Board) intends this Supplement to the Initial Statement of Reasons (ISOR) to reflect changes that have been made to the 45-Day proposed rule text and Initial Statement of Reasons, which was distributed on April 23, 2021, and the 15-Day proposed rule text and Supplemental Statement of Reasons distributed on January 3, 2022.

SPECIFIC PURPOSE OF EACH ADOPTION, AMENDMENT OR REPEAL (pursuant to GOV § 11346.2(b)(1)) AND THE RATIONALE FOR THE AGENCY’S DETERMINATION THAT EACH ADOPTION, AMENDMENT OR REPEAL IS REASONABLY NECESSARY TO CARRY OUT THE PURPOSE(S) OF THE STATUTE(S) OR OTHER PROVISIONS OF LAW THAT THE ACTION IS IMPLEMENTING, INTERPRETING OR MAKING SPECIFIC AND TO ADDRESS THE PROBLEM FOR WHICH IT IS PROPOSED (pursuant to GOV §§ 11346.2(b)(1) and 11349(a) and 1 CCR § 10(b)).

Narrowed Purpose

The proposed amendments narrow the scope of the proposed action as described within the Initial Statement of Reasons. The Board now intends to simply promote compliance with the revisions to PRC 4290 within SB 901 (Chapter 626, 2018), and to improve the clarity of certain administrative processes within Article 1 of the existing regulations. The narrowed purpose of the proposed action is to:

- Establish standards for fuel breaks and greenbelts near communities;
- Establish measures for the preservation of undeveloped ridgelines;
- Improve clarity regarding the inspection and enforcement agencies;
- Promote local jurisdiction compliance with the Fire Safe Regulations and to clarify the process by which that occurs;
- Increase the flexibility offered to local jurisdictions in implementing the minimum standards provided in these regulations.

Related Emergency Regulations

It should be noted that a portion of the proposed action was affected by existing emergency regulations (OAL MATTER No.’s 2020-0720-01E, 2021-0430-02EE, and 2021-1124-02EE), but which was unrelated to the purpose and necessity of the proposed action. Since the time of the adoption and readoption of the emergency regulations, the Board failed to file a certificate of compliance on the action and the emergency regulations were repealed by operation of law on March 8, 2022. The proposed rule text reflects these changes in order to promote the accuracy of regulations, but does not itself propose any amendment, adoption, repeal, or modification of any kind related to those emergency actions.

Universal Changes

Subsections were re-numbered or re-lettered as necessary to reflect the movement, deletion, or addition of regulatory text.

Defined terms were capitalized.

“Authority Having Jurisdiction” or “AHJ” was universally replaced with “Local Jurisdiction.” AHJ is no

longer a defined term.

Repeal 1270.01(a)

The definition of “access” was deleted as that term is no longer in that specific defined capacity in the rule text.

Amend 1270.01(a) (previously b)

The Board no longer proposes changes to this definition.

Repeal 1270.01(c)

The definition of “authority having jurisdiction” was deleted because that term is no longer used in the rule text.

Repeal 1270.01(f)

The definition of “building construction” was deleted because that term is no longer used in that specific defined capacity in the rule text.

Repeal 1270.01(h)

The definition of “clear width” was deleted because that term is no longer used in the regulations.

Repeal 1270.01(i)

The term “collector road” was deleted because that term is no longer used in the regulations.

Amend 1270.01(f) (previously k)

The Board no longer proposes changes to the definition of “defensible space.”

Amend 1270.01(j) (previously o)

The Board no longer proposes changes to the definition of “exception.”

Repeal 1270.01(p)

The Board proposes to delete the term “existing” as it is no longer used in this specific defined capacity in the regulations.

Repeal 1270.01(q)

The Board proposes to delete the term “existing road” as it is no longer used in this specific defined capacity in the regulations.

Repeal 1270.01(r)

The Board proposes to delete the term “finished grade” as it is no longer used in these regulations.

Amend 1270.01(l) (previously p)

The Board proposes to adopt the previously noticed definition of “fire authority.” The phrase “in the Local Jurisdiction” was added to that previously noticed definition to specify that the Fire Authority that holds certain responsibilities with the Local Jurisdiction in which is the subject of this definition and how it is implemented elsewhere within these regulations. This adds clarity and specificity for the regulated public.

Amend 1270.01(o) (previously u)

The phrase “agricultural lands” was deleted from the definition of “greenbelts” and replaced with the phrase “other areas” to add greater flexibility to the definition of greenbelts. In addition, including “agricultural lands” within this definition implied that local jurisdictions may force existing agricultural

land to serve as fuel breaks, when that is not the lands' intended purpose. This change promotes clarity of the promoted flexibility.

The term "AHJ" was replaced by "Local Jurisdiction," as previously noticed in the 45-day rule text.

The clause "that may function as Fuel Breaks" was moved for general written grammar.

Amend 1270.01(s) (previously w)

The Board no longer proposes changes to the definition of "local jurisdiction."

Repeal 1270.01(z)

The term "Local Responsibility Area" was deleted, as it is no longer used in the regulations.

Repeal 1270.01(aa)

The term "Local Road" was deleted as it is no longer used in the regulations.

Repeal 1270.01(cc)

The term "New" was deleted as it is no longer used in that specific defined capacity in these regulations.

Repeal 1270.01(ff)

The term "perimeter" was deleted as it is no longer used in that specific defined capacity in these regulations.

Repeal 1270.01(gg)

The term "repair" was deleted as it is no longer used in these regulations.

Amend 1270.01(w) (previously hh)

The Board no longer proposes changes to the definition of "residential unit," except for the deletion of the phrase "for the purposes of mandatory measures required in 14 CCR 1270.01(c)." The term "residential unit" is relevant to more sections of the code than just 1270.01(c), which has also been renumbered. The application of this defined term throughout the regulations will improve clarity and certainty of implementation.

Amend 1270.01(z) (previously hh)

The Board no longer proposes changes to the definition of "road or driveway structures."

Amend 1270.01(aa)

The Board no longer proposes changes to the definition of "Same practical effect."

Amend 1270.01(dd)

The Board proposes to add a definition of "strategic ridgeline" for clarity. The process for identification of strategic ridgelines is enumerated in § 1276.02 but without a specific definition of "strategic ridgeline" it was unclear the purpose and goals of the identification process. This definition provides additional context and clarity to the Local Jurisdiction and Fire Authority regarding the purpose of identifying ridgelines as strategic, which will improve compliance with these regulations.

Repeal 1270.01(nn)

The defined term "substantial compliance" is no longer used in the regulations.

Repeal 1270.01(oo)

The defined term “substantial evidence” is no longer used in the regulations.

Amend 1270.01(ii) (previous ss)

The definition for “undeveloped ridgeline” was changed back to the 45-day noticed rule text. Please see the Initial Statement of Reasons for purpose and necessity.

Amend 1270.02 Purpose

There are no revisions to the existing, operative rule text in subsection (a) proposed in this 15-Day Notice, except to add commas for general written clarity.

The previously proposed language in subsection (b) is deleted and the existing operative rule text from 1270.01(b) as it is currently published in the CCR is retained in its entirety.

Subsection (c) is revised to reflect the existing operative rule text from 1270.01(c) as it is currently published in the CCR. The only change the Board proposes to maintain in this section is to add “Fuel Breaks, Greenbelts, and measures to preserve Undeveloped Ridgelines.” This change was addressed in the Initial Statement of Reasons.

The previously proposed language in subsection (d) is retained. Please see the Initial and Supplemental Statements of Reasons for purpose and necessity statements.

Amend 1270.03 Scope

The Board proposes no changes to subsection (a), which is retained in entirety from 1270.02(a) as it is currently published in the CCR.

The Board proposes no changes to subsection (b) in this 15-Day Notice, but retains an existing revision that was addressed in the Supplemental Statement of Reasons.

The Board proposes no changes to subsection (c), which is retained in entirety from 1270.02(c) as it is currently published in the CCR.

The Board proposes no changes to subsection (d) in this 15-Day Notice, but retains an existing revision, which were addressed in the Supplemental Statement of Reasons.

Amend 1270.04 (previously 1270.03)

This language is existing, operative rule text that was proposed for deletion in the 45-day noticed rule text. The Board no longer proposes any changes to this section.

Amend 1270.05 (previously 1270.04)

There are no changes proposed to the previously noticed rule text. Please see the Initial and Supplemental Statements of Reasons for purpose and necessity.

Amend 1270.05 Inspections (now 1270.06)

The Board proposes no changes to subsection (a) other than the retention of certain provisions which had been described within the Initial Statement of Reasons.

The Board proposes no changes to subsection (b) other than the retention of certain provisions which had been described in the Initial and Supplemental Statements of Reasons.

The Board proposes no changes to subsection (c) other than the retention of certain provisions which had been described in the Initial and Supplemental Statements of Reasons. Subsection (f) is existing operative rule text from 1270.05(d) that was proposed for deletion in the 45-day noticed rule text. The Board is no longer proposing any changes to or deletion of this provision.

Amend 1270.06 Exceptions (now 1270.07)

The Board is no longer proposing changes to this section.

Repeal 1271.00 Definitions

This existing rule text was mistakenly not indicated as proposed for deletion in the 45-day or first 15-

day noticed rule text. The Definitions section was moved to 1270.01, since many definitions in this section are used throughout Article 1, so moving the definitions to the beginning of Article 1 provides greater clarity to the regulated public.

Article 2

The Board no longer proposes changes to this Article except those described in “universal changes.”

Article 3

The Board no longer proposes changes to this Article except those described in “universal changes.”

Article 4

1275.00

The Board no longer proposes changes to this section.

1275.01

The Board no longer proposes changes to this section.

1275.02

The Board no longer proposes changes to this section.

1275.03

The Board proposes one change to the operative rule text, to delete the term “fire valve.” Fire valve is no longer a defined term, so its use does not provide additional clarity to the regulated public. The previous definition of “fire valve” referenced the definition of “fire hydrant,” and circular cross references do not provide additional clarity in the regulations.

1275.04

The Board no longer proposes changes to this section.

1275.05

The Board no longer proposes adopting this section.

1275.06

The Board no longer proposes adopting this section.

1275.07

The Board no longer proposes adopting this section.

Article 5

Amend 1276.00

The Board proposes to add “strategic fuel modification, parcel siting and setback, and the protection of undeveloped ridgelines” to the existing, operative rule text and makes changes for general clarity and written grammar. This added language reflects the adoption of regulations for fuel breaks, greenbelts (both covered by “fuel modification”) and ridgelines, all required by SB 901, and include the previously-omitted parcel siting and setbacks, which are also covered in this Article. This adds greater clarity and consistency to the regulations.

Amend 1276.01

Subsection (b)(4) was amended to allow the local jurisdiction to require, rather than request, the most protective measures provided in the California Building Code. As this option is presented as an alternative to subsection (a), which is the requirement for 30 foot setbacks, it is appropriate that the

local jurisdiction be given the authority to require the most protective measures rather than request in order to establish minimum fire safety standards. This promotes clarity regarding implementation to the regulated public.

Amend 1276.02

The phrase “to reduce fire risk and improved fire protection” was added to subsection (a). This phrase is provided for in the authorizing statute, PRC 4290, and specifies the purpose of preserving undeveloped ridgelines. Adding this language to the regulations provides increased clarity to the regulated public regarding the purpose of the regulations and greater consistency with statute.

A new subsection (a)(4) was added to specify that when determining strategic ridgelines, the Local Jurisdiction may consider whether construction activities and mass grading will alter the topography such that the ridgeline-related fire risks are eliminated. This was necessary because there are large construction projects, such as master-planned communities, that are constructed after ridgelines are graded (i.e., the movement of earth by mechanical means alters the gross topography so the topographical features are fundamentally changed and the ridgeline no longer exists). If the ridgeline no longer exists, the enhanced fire risk presented by the ridgeline no longer exists and the ridgeline does not qualify as either strategic or undeveloped. The previous proposed rule text did not accommodate situations where the ridgeline did pose a fire risk but construction would eliminate that risk. This provides greater flexibility and clarity to local agencies and the regulated public.

Subsection (c) was revised to reflect the rule text noticed in the initial 45-day notice period. The purpose and necessity statements for that change can be found in the Initial Statement of Reasons.

Subsection (c)(2) was revised for greater clarity regarding the types of infrastructure that is allowable on undeveloped ridgelines. The intention of this section was to allow, among other structures, telecommunications equipment, and the previously proposed language was not specific enough to clearly identify that equipment was allowable. Adding the relevant specific sections of Government Code describing this equipment adds greater clarity to the regulations.

Subsection (c)(3) was added to specifically allow a Local Jurisdiction to approve Buildings on ridgelines where mass grading eliminates the ridgeline risks. This specific language allows for situations where a ridgeline may have been designated as strategic, but construction that will result in mass grading will eliminate the ridgeline fire risks is proposed for that ridgeline. Since that construction would eliminate the fire risk associated with ridgelines, the ridgeline no longer needs to be preserved as undeveloped. This amendment is necessary to promote clarity to local agencies and the public regard how these certain activities may be approved on strategic ridgelines in a fashion which is not in conflict with the balance of the regulations and authorizing statute.

Amend 1276.03

Subsection (a) was revised to reflect the 45-day noticed rule text. Please see the Initial Statement of Reasons for purpose and necessity statements.

Subsections (b) and (c) were revised to require the Local Jurisdiction to consult with the Fire Authority regarding fuel breaks. The Local Jurisdiction is a broader term that may encompass a variety of government agencies, depending on the mechanics of project approval in any given jurisdiction, and the Fire Authority has specific, relevant experience regarding the design, location, and requirements of fuel breaks that the Local Jurisdiction should be incorporated into their decisions regarding fuel breaks. This also provides consistency with subsection (a).

Subsection (d)(1) was revised to direct the reader to the definition of defensible space found in 14

CCR § 1299.02. This term is being used differently than how it is defined in 1270.01, so a cross reference to the specific definition used in this section was necessary. The purpose of this provision is to address connectivity between existing specific fuel modification requirements around certain structures and the amendment achieves clarity in this regard. The definition of Defensible Space as provided by section 1270.01 of these regulations does not clearly promote these ideas and is not suitable for use here. This amendment is necessary to provide appropriate clarity to the provision.

Amend 1276.04

The phrase “as part of a New Building Construction” was deleted from this section. The term “new building construction” is no longer a defined term, so this phrase no longer provides additional information to the regulated public.

Subsection (b) is proposed to be deleted. It was determined this provision was non regulatory in nature and therefor would create confusion among the regulated public.

Amend 1276.05

This section was amended to require the Local Jurisdiction to consult with the Fire Authority regarding the disposal of flammable vegetation and fuels caused by site construction. The Local Jurisdiction is a broader term that may encompass a variety of government agencies, depending on the mechanics of project approval in any given jurisdiction, and the Fire Authority has specific, relevant experience regarding how to best manage flammable vegetation that needs to be disposed of and the applicable rules and procedures which the Local Jurisdiction should incorporate into their disposal plans.

2 subdivisions and Developments in the SRA and, after July 1,
3 2021, the VHFHSZ shall provide for basic emergency access and
4 perimeter Wildfire protection measures as specified in the
5 following articles.

13

14 § 1270.02. Purpose.—Scope

15 (a) These regulations have been prepared and adopted for the
16 purpose of establishing state minimum Wildfire protection
17 standards in conjunction with Building, ~~Construction~~, and
18 ~~Development and Development~~ in the State Responsibility Area
19 (SRA) and, after July 1, 2021, the Very High Fire Hazard Severity
20 Zones, as defined in Government Code § 51177(i) (VHFHSZ).

21 (b) ~~The future design and construction of Structures,~~
22 ~~subdivisions and Developments in the SRA and, after July 1,~~
23 ~~2021, the VHFHSZ shall provide for basic emergency access and~~
24 ~~perimeter Wildfire protection measures as specified in the~~
25 ~~following articles. Building c~~Construction in the SRA approved
after January 1, 1991, and, after July 1, 2021, Building

1 Construction in the VHFHSZ approved after July 1, 2021 shall
2 provide for minimum Wildfire protection standards as specified
3 in the following articles.

4 (c) These standards shall provide for emergency access ingress
5 and egress; signing and Building numbering; municipal type,
6 private, and public water supply reserves reserves for
7 emergency fire use; vegetation modification, Fuel Breaks,
8 Greenbelts, and measures to preserve Undeveloped Ridgelines. The
9 regulations which follow shall specify the minimums for such
10 standards measures.

11 (d) By limiting Building construction in those areas where
12 Prescribing these minimum Wildfire protection standards are not
13 satisfied, this reduces the risk of Wildfires in these areas,
14 which among other things protects the health, safety and welfare
15 of residents, and protects natural resources and the
16 environment.

17 (a) These regulations shall apply to:

18 (1) the perimeters and access to all residential, commercial,
19 and industrial Building construction within the SRA approved
20 after January 1, 1991, and those approved after July 1, 2021
21 within the VHFHSZ, except as set forth below in subsections (b)
22 through (d), inclusive, and (f);

23 (2) the siting of newly installed commercial modulars,
24 manufactured homes, mobile homes, and factory built housing, as
25 defined in Health and Safety Code sections 18001.8, 18007,
18008, and 19971, except where being sited or installed as an

1 accessory or junior accessory dwelling unit as set forth in
2 subsection (d) below;

3 (3) all tentative and parcel maps or other Developments approved
4 after January 1, 1991; and

5 (4) applications for Building permits on a parcel approved in a
6 pre 1991 parcel or tentative map to the extent that conditions
7 relating to the perimeters and access to the Buildings were not
8 imposed as part of the approval of the parcel or tentative map.

9 (b) These regulations do not apply where an application for a
10 Building permit is filed after January 1, 1991 for Building
11 construction on a parcel that was formed from a parcel map or
12 tentative map (if the final map for the tentative map is
13 approved within the time prescribed by the local ordinance)
14 approved prior to January 1, 1991, to the extent that conditions
15 relating to the perimeters and access to the Buildings were
16 imposed by the parcel map or final tentative map approved prior

The Health Education Series employees are responsible for the organization, coordination, implementation, and conduct of a variety of Public Health education programs and related health services.
- Why is it critical that this position be filled at this time?
Not filling this position will cost PCPHA funds that cannot be drawn down from grants, and will as not being able to bill for positions unless funds have been spent. It can be argued that these are not lost funds because we won't have to expend the funds if the position is vacation. However, the County loses the value of the services being provided to families and children.
- How long has the position been vacant?
Effective 3/25/22
- Can the department use other wages until the next budget cycle?
The department's wage and benefits portion of the 21/22 budget includes funds for this position.
- What are staffing levels at other counties for similar departments and/or positions?
No specific research has been performed for this position. Generally speaking, however, past research tasks have identified Plumas County as being consistent with neighboring Counties.
- What core function will be impacted without filling the position prior to July 1? **N/A**
- What negative fiscal impact will the County suffer if the position is not filled prior to July 1? **None**
- A non-general fund department head need to satisfy that he/she has developed a budget reduction plan in the event of the loss of future state, federal or local funding. What impact will this reduction plan have to other County departments? **N/A**
- Does the department expect other financial expenditures which will impact the general fund and are not budgeted such as audit exceptions? **No**
- Does the budget reduction plan anticipate the elimination of any of the requested positions? **No**
- Departments shall provide an estimate of future general fund support for the next two years and how the immediate filling of this position may impact, positively or negatively, the need for general fund support? **No change in General Fund support since this is already a budgeted position**
- Does the department have a reserve? If yes, provide the activity of the department's reserve account for the last three years?
