To date, The Ferguson Group has brought \$4.6m into Plumas County over three fiscal years for various projects.

DEPARTMENTAL MATTERS

PLANNING DEPARTMENT – PLUMAS COUNTY GENERAL PLAN

This matter is before the Board for presentation of a proposal for the Plumas County General Plan; status report of technical review and establish a recommendation for completion; and direct the County Budget Officer to include in the FY 2008-2009 budget costs associated with the proposal.

Supervisor Thrall participates via conference telephone for the purpose of receiving information and will not participate in any action taken by the Board.

Randy Wilson, Interim Director of Planning introduces Mark Teague and Merle Anderson of PMC. Presentation by PMC of proposal for updating the general plan. The proposal includes public outreach/visioning, drafting the general plan elements, and preparation of the environmental analysis. The proposal outlines a conceptual approach, budget and timeline that results in an update to the general plan. The first efforts in the update would be to review and complete a detailed scope, including a listing of deliverables and milestones so that all parties clearly understand the breadth and cost of the update.

The proposal presented is an option to significantly update the General Plan beyond the technical update taking into account the visioning already conducted by the County. The process will take approximately two years to complete and may be budgeted over three fiscal years.

Following discussion by the Board, motion by Supervisor Meacher, second by Supervisor Powers and carried to receive the of proposal for the Plumas County General Plan; status report of technical review and establish a recommendation for completion; and direct the County Budget Officer to include in the FY 2008-2009 budget costs associated with the proposal as a priority.
