Corner— Left as found Found and tagged Established Reestablished Rebuilt

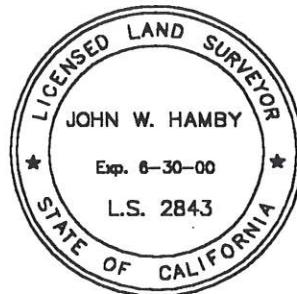

Identification and type of corner found: Evidence used to identify or procedure used to establish or reestablish the corner:
Found 1/2" rebar stamped LS 3297 on East side of County Road 115 and South east corner of Portion of Parcel 3, also found 1/2" Rebar with Aluminum Cap stamped RCE 13225 on Southeast corner of Parcel 1 as shown in Book 10 of Parcel Maps at page 30, Plumas County records, from from which I reestablished the Southwest corner of Parcel 1 as shown in attached sketch.

A description of the physical condition of the monument as found and as set or reset: The Southwest corner of Parcel 1 appeared to have been destroyed by a road made for power line. Set 5/8" rebar stamped LS 2843 in record position as shown in attached sketch.

SURVEYOR'S STATEMENT

This Corner Record was prepared by me or under my direction in conformance with the Land Surveyors' Act on January 21, 2000.

Signed John W. Hamby L.S. 2843
 John W. Hamby
