REQUEST FOR \$23,000 FROM GENERAL FUND CONTINGENCY

This matter is before the Board at the request of Plumas Corporation to appropriate \$23,000 from the General Fund Contingency for Tourism and Economic Development. Following presentation by John Sheehan and Suzi Brakken, there is discussion by the Board. Supervisor Dennison clarifies that the request for funding for Tourism is to increase a position from .5 FTE to 1.0 FTE. The Information Specialist position was reduced during budget hearings for FY 2004/2005. Ms. Brakken informs the Board that without the full time position, the tourism-marketing program cannot be fully carried out. Ms. Brakken believes that sales and service is a full time responsibility as it is the direct line to the consumer. Supervisor Dennison believes the request is premature and is concerned that if the position increased to a 1.0 FTE that it may have to be reduced to a .5 FTE during budget hearings for FY 2005/2006. Supervisor Comstock reminds the Board that the Quincy area relies on and economic development. Supervisor Comstock recommends approval. Supervisor Powers concurs.

Motion is made by Supervisor Comstock and seconded by Supervisor Meacher to appropriate \$23,000 from the General Fund Contingency for Tourism and Economic Development and to approve the increase in position allocation for the Information Specialist from a .5 FTE to a 1.0 FTE.
