Project Title: Sierra Pacific Industries – Replacement/Reconstruction of Large Log Mill and associated grading

Project Location: Sierra Pacific Industries, 1538 Lee Road, Quincy, CA; APN 117-350-003; T24N/R10E/Sections 18, MDM

Description of Project: This project consists of the replacement and reconstruction of the existing large log mill facility, not involving expansion in terms of use and activity.

Name of Public Agency Approving Project: Plumas County Planning and Building Services

Name of Person or Agency Carrying Out Project: Sierra Pacific Industries

Exempt Status (Check one)

- No possible significant environmental effect (Sec. 21082.2; 15061(b)(3));
- Ministerial (Sec. 21080(b)(1); 15268);
- Categorical Exemption. Section Number: 15302
- Statutory Exemptions. State Code Number: CEQA 15264
- Emergency Project (Section 15269)

Reason why project is exempt: This project consists of replacement and reconstruction of the existing large log mill facility involving negligible or no expansion of capacity. The replacement facility is intended to provide more efficiency, and to reduce impacts such as noise, etc. Construction will follow CA Building Code; no additional impervious surface is anticipated; any modifications to drainage will be accomplished under State permit; existing encroachments and internal roadways will be utilized; most utilities exist. The new facility is proposed to be served by the East Quincy Services District sewage disposal facility, subject to approval by the District.
