Whereas, investments in California's urban, suburban and rural park and resources-related landscapes promote the notion of community and provide health, environmental and aesthetic benefits;

Whereas, California Outdoor economy is a \$92 Billion economic driver, partly responsible for the continued health and growth of many of California's local economies;

Whereas, PROPOSITION 68 contains \$215 Million in Per Capita funding to assist all of California's communities in underwriting priority park-related improvements;

Whereas, an additional \$40 Million shall be available in block grant awards for communities that self-tax for park related improvements;

Whereas, PROPOSITION 68 invests \$55 million directly in achieving the program of the Sierra Nevada Conservancy;

Whereas, PROPOSITION 68 invests \$27 million directly in achieving the program of the California Tahoe Conservancy;

Whereas, PROPOSITION 68 invests \$95million in wildfire mitigation through the Wildlife Conservation Board and CalFire, with a substantial portion of that funding available in the Sierra Nevada;

Whereas, PROPOSITION 68 expends \$200 Million on California's State Park system, addressing a greater than \$1 Billion backlog in deferred maintenance, which will translate into greater tourism and visitor ship opportunities in adjacent communities;

Whereas, PROPOSITION 68 invests \$30 Million in trail network improvements promoting non-motorized recreational and commuter opportunities throughout the state;

Whereas, PROPOSITION 68 recognizing the importance of California's rural spaces and invests \$25 Million through a competitive grant program to improve and enhance rural park infrastructure;

1           **Whereas, PROPOSITION 68** expends hundreds of millions on other important  
2 investments in resource-related infrastructure including California's rivers, coast, and other  
3 waterways, the state's mountainous settings such as the Sierra and wildlife and fish-dependent  
4 habitats;

5           **Whereas, PROPOSITION 68** invests heavily in combatting global warming through  
6 investments in urban greening projects, promoting healthy forests and carbon farming  
7 applications;

8           **Whereas, PROPOSITION 68** underwrites investments in improving local water  
9 systems, promoting access to safe drinking water in some of California's most economically  
10 challenged communities;

11           **Whereas, PROPOSITION 68** commits to a robust investment in groundwater  
12 improvements and sustainability to diversify water sources and recharge groundwater tables;

13           **Whereas, PROPOSITION 68** underwrites improvements in the state flood management  
14 systems, armoring against calamities that beset the state in the Oroville area and elsewhere;

15           **Whereas, the California Constitution** requires that general obligation bond issues of  
16 \$300,000 or more be referred to voters for approval or rejection;

17           **Whereas, PROPOSITION 68** has been referred to the Secretary of State for inclusion  
18 on the June 2018 ballot as "Proposition 68: The Parks, Environment and Water Bond of  
19 2018";
