Reason why project is exempt: This project has been determined to be exempt from the requirements of the California Environmental Quality Act under Section 15061(b)(3) as Plumas County codes reflected in Special Use Permit conditions, as well as permitting requirements, serve to address any possible impacts resulting from the construction and operation of the facility. Construction will be timed so as to minimize impacts to nesting bird species. The project site is served by community water service, structural fire protection service, and a paved maintained county road constructed to county road standards. Drainage facilities will be designed to reduce offsite impacts. The facility will be designed and built to county standards and applicable building codes.
