Project Title: Plumas County Department of Public Works County-wide Routine Maintenance - LSAA

State Clearinghouse Number	Contact Person	Phone Number
2019069006	James Graham	(530) 283-6169

Project Location: The proposed project is located at various locations throughout Plumas County. See attached map.

Project Description: The County is required to perform regular routine maintenance of drainage facilities and water crossings at approximately 175 locations throughout Plumas County (Map 1), generally within or adjacent to County roads. All of the maintenance locations are in watercourses or riparian habitats (stream/riparian zones) which may fall under the jurisdiction of the California Department of Fish and Wildlife (CDFW). As such, CDFW may require a Lake and Streambed Alteration Agreement (LSAA) to authorize the maintenance activities.

This to advise that the Plumas County Planning Department has made the following determinations:

The project will have a significant effect on the environment.

A Mitigated Negative Declaration was prepared and adopted for this project pursuant to the provisions of CEQA.

The Mitigated Negative Declaration may be examined at: Plumas County Department of Public Works – 1834 East Main Street, Quincy, CA 95971

Mitigation measures were made a condition of approval of the project and a mitigation monitoring program is included as part of the Mitigated Negative Declaration.
