

## Plumas Watershed Forum

Plumas County Flood Control & Water Conservation District  
California Department of Water Resources  
State Water Project Contractors

Mailing Address: 1834 East Main Street Quincy, CA 95971 Ph(530)283-6268 Fax (530)283-6323

### **Unspent Project Fund Policy**

It is the policy of the Plumas Watershed Forum to reallocate unspent funds assigned to specific projects when those projects are completed. The unspent funds are not to be used to enhance or expand the scope of the approved project unless the Forum elects to do so upon evaluation of the CORE Technical Advisory Committee. The funds so returned are to be combined with all other unallocated funds to be used for future projects.
