

REGISTERED NURSE I – PUBLIC HEALTH

DEFINITION

Under general supervision, to assist with coordination and participate in a variety of Public health clinics and services; to perform activities related to implementation of various health programs; to interview, educate, counsel, and refer clients regarding a variety of health conditions. Coordinates client and community services to support goals of the Agency and to do related work as required.

DISTINGUISHING CHARACTERISTICS

Incumbents in the Registered Nurse class series do not have the necessary education, experience, or license requirements to qualify as a Public Health Nurse. Incumbents assist with the planning and conduct of nursing assessments, direct patient care, home visits, and health education. Incumbents at the Registered Nurse I level are performing many assignments in a training and learning capacity. They work under closer Supervision than Registered Nurse II's. When the requisite background and experience have been obtained, an incumbent may be promoted to Registered Nurse II.
