Member Rights & Problem Resolution Guide

Problem Resolution – English

The Mental Health Plan (MHP) provides Mental Health Services to Medi-Cal eligible children and adults.

Advocates

The following resources are available for assistance in completing forms and resolving a grievance, appeal, and State Fair Hearing:

Patient Rights Advocate 530-616-1638

A member can designate a representative to act in his/her behalf at anytime during the grievance, appeal, or State Fair Hearing process.

Your MHP services will NOT be affected in any way by filing a grievance, appeal or requesting a State Fair Hearing.

Grievance

A grievance is an expression of dissatisfaction about any matter other than a Notice of Adverse Benefit Determination (NOABD).

A grievance can be filed by calling Member Services or by completing a grievance form.

- The member will receive a written acknowledgment that the grievance was received by Member Services.
- The member will receive a written resolution within (60) sixty calendar days.

* A 14-day extension may be granted under certain circumstances.

Standard Appeal

An Appeal is a request to review an NOABD. An NOABD occurs when the MHP denies, reduces, suspends or Terminates previously authorized services; denies payment for a service; fails to provide services in a timely manner; or fails to act within the timeframes for the disposition of grievances, standard appeals, expedited appeals*, or denies a request to dispute a financial liability.

- The member may submit an appeal orally or in writing. Oral appeals must be followed up with a written, signed appeal.
- The member will receive a written acknowledgment that Member Services received the appeal.
- An appeal must be filed within 60 days of the date of the NOABD.
- The member will receive a written resolution within 45 calendar days*.

Expedited Appeal

This Appeal is filed when the member's life, health, or ability to have or maintain maximum function is at risk.

- The member will receive a written resolution within 72 hours.
- If the expedited appeal is denied, a written notice will be sent to the member and the standard appeal process will begin.

Suggestions

Member suggestions are important in providing quality, effective services. Providers have Suggestion Boxes in service areas. Members' suggestions are welcome and can be placed in these boxes, or can be given directly to a mental health staff or an advocate.

State Fair Hearings

If you are a Medi-Cal beneficiary, you have the right to file for a State Fair Hearing. You are required to exhaust the MHP's problem resolution process for Appeals before filing for a State Fair Hearing.

The Administrative Law Judge who resides over the Hearing only has authority over those issues related to an Action. The decision will be final.

To file a State Fair Hearing send your request to:

California Department of Social Services
P.O. Box 944243, Mail Station 19-37
