This summer, Plumas Unified School District is offering free healthy lunches for children and teens 18 and under through the USDA Summer Food Services Program. There is no sign-up, application, income verification or identification needed. The Plumas County Library is providing pop-up programming and books for all the kids from Project Read! We hope you will join us on the listed dates as we explore coding and robot science!

For more information about the summer meal program, call (530) 283-6500 ext. 5235

Children 10 and under must be accompanied by an adult. Supervision of children not provided.
