

## **SHERIFF DISPATCHER II**

### **DEFINITION**

Under general supervision, dispatches and receives emergency and non emergency radio transmissions, maintaining field communications during incidents, providing officer safety for deputies, investigations, administration, corrections, SWAT, search & rescue, fire. Dispatch has the responsibility to monitor the activities of deputies or other department personnel. Responsible for the only County PSAP (public safety answering point E-9-1-1), all E 9-1-1 calls with the exception of cellular 911's are answered by dispatch. It is the responsibility of dispatch to determine the type of call, from hysterical callers, and contact the emergency resource needed. Dispatch is responsible to answer five 911 emergency phone lines, three emergency phone lines, and one inter-department phone line.

### **DISTINGUISHING CHARACTERISTICS**

This is a journey level classification in the specialized class series for positions, which have the responsibility for dispatching and maintaining field communications with public safety personnel. Sheriff Dispatcher II's perform assignments with greater independence than Sheriff Dispatcher I's.
