

200 100 0 200 400 600
1 in. = 200 ft.

NOTE: Leach exclusion areas are all areas within 50' of property lines, within easements, within 100' of wells, for all slopes of 30% or greater, within 100' of springs, and other areas as shown.

HIDDEN VALLEY ROAD and SPRING DRIVE are private road easements and are not subject to improvement or maintenance by Plumas County. Such easements will not become effective unless and until reservations and grants are included in the respective deed.

All perimeter foundations should have at least two continuous No. 4 longitudinal bars in the footing/pedestal cross section.

The base of all exterior building footings should be placed at least 24" below original grade, or on a minimum 1" thick imported aggregate pad.
