 - A. The northeast corner of the subdivision is set at the intersection of the southerly right of way of County Road No. 207 as shown on improvement plans S-1062(2) and the east line of Lot 3, Section 30, Township 26 North, Range 10 East M.D.M. as shown on 4 R.S. 60.
 - B. The northerly line of the subdivision is established and monumented by intersection of the distances called for in the deed as recorded on 283 O.R. 48 with the centerline of improvements of old Crescent Mills - Taylorsville Highway, Mason Circle.
 - C-1. The southwest corner of the subdivision is set at the intersection of the monuments found on the westerly line and the north line of Parcel 4 as recorded on 7 P.M. 48.
 - C-2. The northwest corner of the subdivision is set at the intersection of the monuments found on the westerly line and the northerly boundary as determined in 2-B above.
