- NOTES:
1. The information shown hereon is for informational purposes describing conditions as of filing and is not intended to affect title interest.
 2. The additional information shown hereon is derived from public reports or reports by preparer.
 3. Leach Exclusion areas include 5' from lot lines, 50 feet from seasonal watercourses, areas of high groundwater, slopes over 30%, 100 feet from wells and designated well sites, and all easements except as approved by the County Sanitarian.
 4. The leach exclusions and designated well sites may not be changed without the approval of the County Sanitarian.
 5. Emergency water for fire protection shall be provided before final inspection for building construction as set forth in Article 10 of Chapter 4 of Title 9 of the Plumas County Code.
