

NOTES

Under 1275.00 et seq of the SRA Fire Safe Regulations and the provisions of Article 10 of Chapter 4 of Title 9, commencing with Section 9-4.1001 of the Plumas County Code, emergency water for fire protection shall be required before final inspections for building construction.

The Road shown hereon, Evolution Road, is a private easement not subject to improvement or maintenance by Plumas County. Said easement will not become effective unless and until reservations and grants are included in the respective deeds.

The additional information shown hereon is for informational purposes, describing conditions as of the date of filing, and is not intended to affect record title interest.

Designated sewage disposal systems may be relocated with approval from the Environmental Health Department.

Each building permit application is accompanied by erosion control measures necessary to preclude sediment laden runoff from leaving the project site. These measures shall be prepared by a landscape architect or registered professional engineer.
