NOTE: Although considerable effort was made to relocate the original lines of the Townsite of CHESTER there remains a difference between the records and the present lines of occupancy and improvements. The boundary lines as shown on this map are therefore based on as much evidence that could be found on the ground and in existing records.

Found 3 1/4" I.P. for N.W.
Cox Lot 13, Block F, Western Addition
per R/S Book 1, page 126.
