SHERIFF/CORONER  
DIRECTOR

### PRESS RELEASE

FOR IMMEDIATE RELEASE

February 8, 2022

#### Rock Creek Missing Person Update

Effective today, the ground and air search for missing person Frank Christopher (who was reported missing on 1/30/2022), is being scaled back. Over the past several days, Search & Rescue personnel have located personal items belonging to Mr. Christopher, which indicate he could be located within the water in a remote location of the Rock Creek drainage. This specific area is extremely steep and narrow, and high whitewater levels from area snow melt currently limits search capabilities. It is our intent to work closely with regional air units and local Search & Rescue units to monitor this location until such time personnel can navigate the environment safely.

I would like to extend my thoughts and prayers to Mr. Christopher's family and friends during this difficult time. I would also like to extend my grateful appreciation to all agencies who have assisted and will continue to assist Plumas County with this search.

Sheriff Todd Johns
