

HAZARDOUS WASTE AND SUBSTANCES STATEMENT

This certification must be submitted with every Plumas County application for a Land Division, a Lot Line Adjustment, a Planned Development Permit, a Special Use Permit, a Site Development Permit, a Permit to Mine/Reclamation Plan, a Variance, and with every application for a Building Permit which is subject to Site Development Review. The development project and any alternatives proposed in this application are contained on the lists compiled pursuant to Section 65962.5 of the Government Code. Accordingly, the project applicant is required to submit a signed statement which contains the following information:

I, _____ (name), the applicant for the accompanying development project, certify that I have complied with Section 65962.5 of the Government Code of the State of California by consulting the list "HAZARDOUS WASTE AND SUBSTANCES SITES LIST-December 1994" sent to Plumas County by the California Environmental Protection Agency Hazardous Materials Data Management Program pursuant to Section 65962.5(d) of that Government Code. I certify that the information provided herein is correct and waive any action against the County of Plumas in the event the County's action is set aside due to erroneous information provided herein.

This project () is not

() is

located on a site which is included on a list compiled pursuant to Section 65962.5 of that Government Code.

The list indicates that the project is located on:
