### Mission Statement

Restore and improve public health, health care, social service, and education networks for a more equitable and resilient Plumas County.

### Goals

The goals of the Health and Social Services RSF are to:

- Assist locally-led recovery efforts in the restoration of public health and environmental health, healthcare, and social services to meet the needs of impacted individuals and communities, including those with access and functional needs.

### Fire Impacts and Needs

At least 350 impacted elementary school students<sup>1</sup>

29 homeless survivors<sup>2</sup>  
(22.5% of all Plumas homeless)

Net loss of 321 healthcare jobs<sup>3</sup>

Increased need for mental healthcare services<sup>4</sup>

Impacts to Greenville Rancheria's medical and dental facilities resulted in patients driving 4 hours roundtrip to nearby facilities in Red Bluff<sup>4</sup>
