

# ECONOMIC RECOVERY SUPPORT FUNCTION (RSF)

## Recovery Topics:

- Entrepreneurship
- Small Business
- Vocational Trades and Skills Development
- Workforce Development
- Workforce Housing

## Recovery Co-Chairs:

- Jeff Engel, Supervisor Dist. 5
- John Steffanic, Fair Manager

## Mission Statement

Create a resilient and diverse Plumas County, and assist with the rebuilding and redevelopment of businesses, employment, and economic opportunities.

## Goals

The goals of the Economic RSF are to:

- Integrate the expertise of the state and federal government, as necessary, to support and enhance the efforts of local and tribal governments and the private sector.
- Rebuild business and employment.
- Develop economic opportunities that result in sustainable and economically resilient communities.
