BUILDING PERMIT DEFERRED SUBMITTAL AGREEMENT

By signing this form, the property owner is accepting the conditions of this agreement.

The owner agrees that once the building permit is issued and construction has commenced that construction cannot proceed to the 4R inspection (rough framing, electrical, plumbing, mechanical) until: Submittals for the residential fire sprinkler system and/or solar power generation system have been received, reviewed, approved and the owner or their agent has picked up those approved deferred submittals. Failure to comply with this agreement and proceed beyond the 4R inspection without approved deferred submittal documents will result in Code Enforcement action to include a stop work order, notice of non-compliance, and possible citations. Deferred submittal reviews will not be processed ahead of other permits already the in process of review.
