As required annually by the 2017 Franchise Contract between the County and USA Waste of California, Inc., dba Feather River Disposal (FRD), a resolution is being considered to amend the rates for solid waste collection and disposal within the unincorporated portion of Plumas County served by Feather River Disposal (Solid Waste Franchise Area No. 1). The calculated rate increase **(9.08%)** is determined per the terms and conditions of the 2017 Franchise Contract for residential and commercial customers self-hauling solid waste to Plumas County transfer stations operated by the franchise contractor USA Waste of California, Inc., dba Feather River Disposal (FRD) serving Franchise Area No. 1.

If adopted, the resolution will amend the existing solid waste fee schedule to increase the solid waste collection and disposal fees for residential and commercial customers self-hauling solid waste to Plumas County transfer stations located in Quincy, Greenville, Chester and Laporte by **(9.08%)** beginning on July 1, 2023. These rate changes apply to the area serviced by Feather River Disposal only, not InterMountain Disposal. A proposed fee schedule is available on the County website (see below).
