Services may be delivered by an individual provider, or a team of providers, who is working under the direction of a licensed practitioner operating within their scope of practice. Only licensed, waivered, or registered mental health providers and licensed substance use disorder services providers are listed on the Plan's provider directory.

All Facilities meet ADA requirements

All providers have access to interpreter services as needed. Interpreter services may be provided in person or through language line.

Auxiliary aids and services, including the provision of materials in alternative formats, are available by request at no cost to the beneficiary.
