Hi Tracey, Thanks for working so hard for our county! I think that the Copper Mine should not have vested rights and should have to work under the current land use restrictions. I lost my home on Main Street in Greenville and our valley is already traumatized by the affects of the Dixie Fire. I understand the need for copper but mining should be done in an environmentally sensitive way that protects Indian Valley and our Feather River watershed.

Thank you.

Marsha Roby 554 Main Street, Greenville, CA 530-394-7095
