☐ Owner ☐ Applicant | Phone or email: _____

☐ Owner ☐ Applicant | Phone or email: _____

☐ New driveway ☐ Existing: _____

(Specify existing driveway material)

Please submit **application, single plot plan, and review fee of \$413.00** to **Plumas County Engineering Dept. 555 Main Street, Quincy CA, 95971**, Phone (530) 283-6209. A fire safe driveway is designated as a Class 11 road per Plumas County Code (PCC) Section 9-4.413. Per PCC Section 8-14.02; Driveways shall be provided for and maintained in accordance with this section. Affected activities include, but are not limited to: (1) Application for a building permit for qualifying structure, excluding accessory buildings, (2) Application for private roads serving as access to no more than two buildings, with no more than three dwellings on a single parcel, and (3) The installation of manufactured and mobile homes. Refer to the "Fire Safe Driveway Site Plan Criteria Checklist" for additional specifications.

Call Plumas County Engineering (530) 283 – 6209 for Final Inspection
