PRESS RELEASE FOR IMMEDIATE RELEASE August 13, 2025

Re: Strategic Planning Survey to set Mission, Vision, and Values for Plumas County as an Organization.

The Plumas County Strategic Plan Survey is the beginning of the strategic planning process to develop a Plumas County Organizational Mission Statement, Vision Statement, and List of Values. On June 30, 2025, during a Special Meeting, the Plumas County Board of Supervisors made the motion to work on a high-level organizational strategic plan to align with the current budget cycle with a plan presented at the adoption of the Fiscal Year 2025-2026 budget. This is the first of its kind for Plumas County as an organization.

Now, Plumas County needs your input. Whether a current employee of Plumas County or a part-time resident, your voice matters in this process!
