Disclaimer  
 Although a great deal of effort was made by Plumas County GIS to gather the mapping elements presented in this document, it does not constitute a complete and accurate representation of actual physical elements on the ground. Plumas County GIS data is deemed reliable; however, a degree of error is inherent in all maps, and this map book may contain omissions and errors in scale, resolution, rectification, positional accuracy, development methodology, interpretation of source data, and other circumstances. As additional data becomes available to Plumas County GIS, and as verification of source data continues, this map may be reinterpreted or updated by Plumas County GIS. This map is date specific and is intended for use only at the published scale. These digitally compiled maps do not represent a legal survey of the land and have been created for graphical purposes only. Use of this data should be with acknowledgement of the limitations of the data including the fact that the data is dynamic and is in a constant state of maintenance, correction, and update. This map is distributed "as is" without warranty of any kind.
